Town of Leicester Massachusetts

January 1, 2016 through December 31, 2016

Annual Reports of Town Departments, Boards and Committees for 2016

In Memoriam

In memory of and appreciation for their contributions to the Town of Leicester, we remember:

Teresa Cantara

Teresa Cantara volunteered 8 hours a week at the Library for over 10 years. She could be found at the library every Wednesday, rain or shine, and the library was a livelier space with her charm. She sparkled, both in personality and appearance and had a smile, greeting, and, usually, a joke for everyone.

Colleen Cooney

In joyful memory of our friend and colleague Colleen Cooney who passed away in 2016. Colleen was loving mother, wife and friend that blessed Leicester Town Hall with her caring attitude and contagious smile from 2009 – 2016. She is deeply missed by all.

Anne Cutting

Anne Cutting passed away on November 8th at the age 103. Anne lived most of her life in Leicester and was recognized as the oldest resident in Town two years ago. She frequently visited the Senior Center for meals and card games and sang in the church choir. She delivered Meals on Wheels into her 90s. Ms. Cutting began her teaching career at the Mannville School, a one room building with a coal stove, 8 grades and no electricity or phone, then continued on to teach for two generations in the Leicester Public Schools.

Marwood Rand

Marwood Rand was a longtime faithful volunteer to the Town of Leicester. He served on various boards and committees, including two school building committees. Mr. Rand was a true Leicester volunteer who also instilled the dedication to service in his family.

Linda Rowden

Linda Rowden was a 20-year employee of the Town of Leicester where she worked as the Assistant Town Clerk. Linda was the heart and soul of the office. She took her job very seriously and could answer almost any question about the Town of Leicester. If she didn't know the answer, she didn't give up until she found it. Linda truly loved her Town Hall Family and the Town of Leicester. She belonged to many clubs and organizations throughout her life including the Mother's Club. Linda also loved the Library. Linda was a daughter, sister, wife, mother and grandmother who loved her family deeply. Pictures of her grandchildren hung on her bulletin board for all to see. She was warm, kind, gentle and tough when she needed to be. Her favorite color was pink and she loved the beach, bird watching, elephants, the Red Sox and the Patriots. Throughout her 8-year battle with breast cancer she never complained and always had a smile on her face. That smile will be missed. A favorite quote of Linda's was: "When the evening sun is setting and your mind from care is free, when of others your thinking, won't you sometimes think of me."

In Memory of Our Friend, Fellow Resident, and Protector - Officer Ronald Tarentino, Jr.

By: Chief Hurley

Officer Ronald Tarentino Jr. was hired by the Leicester Police Department on March 15, 2007. I can vividly recall how excited he was at getting hired, which fulfilled his dream of becoming a police officer. Ron worked for the LPD for seven years before transferring to Auburn PD. Ron was more than a work colleague to all of us. He was a loyal friend, hunting partner, basketball teammate, husband, father, and just all-around great guy. Ron's first priority was always his wife and children, followed by Leicester and his career. Officer Ronald Tarentino Jr. was shot and killed in the line of duty in the Town of Auburn on May 22, 2016. The Town of Leicester was fortunate to have had Ron as resident and protector of the community. He will not be forgotten and we will always be "Tarentino Strong." Rest in Peace, Ron!

Board of Selectmen

The Board of Selectmen is pleased to submit this report on its activities for the year 2016.

At the annual Town Election in June, Mr. Michael Shivick was elected for the first time to the Board of Selectmen. Following the election, the Board reorganized and selected Mr. Douglas Belanger as Chair, Mr. Harry Brooks as Vice-Chair and Mr. Thomas E. Buckley, III as Second Vice-Chair. Members Ms. Dianna Provencher and Mr. Michael Shivick complete the 5-member board. The Board recognized the efforts of outgoing member Sandra Wilson and her six years of service on the Board.

Personnel

The Board of Selectmen is the appointing authority for most municipal positions. This was a challenging year as the Town lost two key members of our staff; Colleen Cooney as Assistant Tax Collector and Linda Rowden as Assistant Town Clerk. Both are missed and the Town is in the process of filling these positions.

Sergeant Jeffrey Tebo retired from the Police Department this year after serving the Town for over 35 years in various capacities. The Board hired Mr. Travis McCauley as a new full time police officer. Further, the Board provided a contingent appointment to one full time police officer. This officer will fill the final vacant position at the Leicester Police Department upon his successful completion of the full-time police academy.

Sandy Buxton retired this year from the position of Town Accountant. As a testament to the Board's commitment to sound hiring practices and staff growth, Allison Lawrence was promoted from Assistant Accountant to lead the Department as Town Accountant.

Goals

The Board has established three-five year goals the following four priority areas:

- Bolster the Town's tax base by enabling commercial and residential development
- Enhance Communication with residents and stakeholders to help ensure insight into the operations of the Town, aid in community involvement and continue to build productive relationships
- Develop the infrastructure and services of the Town to improve the quality of life of residents and enable desired development
- Continually assess and improve the operations of the Town to ensure the most effective, efficient and modern practices are used in the delivery of services to residents and stakeholders.

These goals serve as the umbrella under which Town Departments focuses their efforts. In future years, all Town Departments will have to justify funding requests by showing how the requests contribute to the overall priorities of the Board. The Board of Selectmen refines the near-term tasks falling under these goal areas annually and will comprehensively review their goals every other year.

Town Finances

The Board of Selectmen worked to continue to improve the financial conditions of the Town. The Board forwarded a balanced budget for fiscal year 2017 that was overwhelming approved at Town meeting. Town Meeting also approved the Selectmens' recommendation to add \$35,000 to the General Stabilization Account, invest \$138,522 in capital projects and for the first time in the history of the Town add \$35,000 Other Post-Employment Benefits Trust Fund.

Leadership in Energy Conservation

Several major initiatives of the Board have placed the Town at the forefront of energy conservation. The Board completed the Energy Upgrade project at all Town Buildings in 2016.

This project reduces CO₂ emissions by over 300 tons per year by reducing electricity, natural gas and oil consumption. Most notably, over the next ten years, the Town will use 8,000 barrels of oil less than it would have without the changes.

Additionally, the Power Purchase Agreement (PPA) with Syncarpha Palmer, LLC generated over \$50,000 in electricity savings at Town buildings in 2016 alone.

Regional Dispatch

In November dispatching operations transitioned to the Regional Emergency Communications Center in Worcester. Through this center residents will continue to receive top quality dispatching services. The Town will experience a financial benefit from this regional service with the savings reinvested in to augmenting the staff levels at the Police Department.

Major Facility Capital Improvement Projects

In September of 2016, the Town broke ground on the new Fire and Emergency Management Services Headquarters at 3 Paxton Street. This

project is estimated to be completed in the fall of 2017 and will cost \$6.5 million.

The Town began preparing 1 Paxton Street to serve as the temporary home of the Leicester Public Library in the fall of 2016. The renovation and expansion of the Leicester Public Library is slated to begin in 2017 at a cost of \$8.9 million and primarily funded through a State library grant.

Economic Development

A host community agreement was signed with Natural Healthcare Inc., which will be opening a medical marijuana cultivation and dispensary center at 1764 Main Street.

The Board of Selectmen continued their leadership in exploring ways to help improve drinking water quality and quantity in Town. The second phase of the two phase study done in partnership with Worcester Polytechnic Institute was published in the spring. Interest and debate on related matters continued throughout the year especially as drought conditions caused hardship for the Cherry Valley Rochdale Water District.

Bylaw Committee

During the year, the By-law Committee reviewed, revised and supported a proposed comprehensive by-law review which is important to ensuring that by-laws remain current and relevant to the town's needs. This by-law which was approved at the Town Meeting provides the framework for a comprehensive review of all town by-laws at five-year intervals,

in each year ending in a six or in a one. The first comprehensive review process was initiated in Fall 2016 and a final report will be shared in 2017. Additionally, the committee reviewed and supported revisions in the town's animal control by-law that was also supported at the May 2016 Town Meeting.

Personnel Board

With limited membership and no applicants the Board of Selectmen have reassumed the leadership in personnel management for

municipal operations in accordance with the Board approved classification and compensation plan.

Emergency Medical Services

During the year 2016, the Town of Leicester Emergency Medical Services responded to 1122 calls for medical assistance, treatment and/or transport to area Hospitals.

The town is equipped with three ambulances with the primary truck running out of Station 1, second truck running out of Station 3 and used for overnight operations and the third truck is used as a backup truck at Station 1, when either of the primary units goes out of service. Occasionally, all three have been used at once for emergency calls.

The replacement of Station 1 on Water Street which houses the main Fire and EMS operations took a major step forward with the awarding of the contract to BSI of Auburn MA to build the Headquarters located at 3 Paxton Street. Ground breaking for the new Headquarters was held in September with completion by June 2017. This new building will allow all EMS operations to be combined into one location. Currently administration, training and support service are out of the Town Hall along with ambulances operating out of Fire Stations 1 & 3.

The EMS Department purchased three CPR Compression Devices as part of last year's Capital Replacement Program. The purchase of the CPR Compression Devices allow for better patient care, reduction of personnel needed for

cardiac arrests and safety of the EMT's in the patient compartment during transport to the hospital.

Future Capital needs for the EMS Department will require replacement of our Cardiac Monitors as our current units will be out of date, manufacture replacement parts and support unavailable in 2017/2018.

The further reduction in Medicare/Medicaid reimbursement for services rendered will continue to cause future problems and will provide many challenges for our department to continue delivering quality medical care to residents of the Town of Leicester.

To the residents of Leicester we would like everyone to know that we sponsor an annual EMT basic course. If you have any interest in becoming an Emergency Medical Technician please contact Donna Fields at our office.

We would like to thank the employees of the Town of Leicester who aid in our mission (Police, Fire, DPW, and the Town Hall) your support is greatly appreciated.

The Town of Leicester Emergency Medical Services remains committed to delivering quality medical care and promoting wellness to the residents of the Town of Leicester.

Fire Department/Board of Fire Engineers

The Fire Department responded to 243 incidents during the past year. The incidents range from structure fire, brush fires, motor vehicle

accidents with entrapment, to carbon monoxide emergencies and mutual aid response to adjoining communities.

This past year we were able to reestablish the position of Fire Inspector. This position is currently funded for 11 hours per week with the anticipation of going up 19 hours per week in

next year's fiscal budget. This will allow us to perform inspections of our Commercial and Industrial build on a yearly basis.

The new Fire and EMS Headquarters broke ground in September. This is the next step in replacing Fire Station 1. The location of the new Headquarters is 3 Paxton Street. We anticipate completion and moving into the new Headquarters in June 2017.

With the replacement of Fire Station 1 there are still future Capital needs that are needed which consist of the remounting/refurbishment or replacement of our 1975 Ariel Tower Truck and replacement of our Self Contained Breathing Apparatus (SCBA). We also, in prior years, identified the need to replace our air compressor that is used to fill the SCBA bottles. This compressor is scheduled for replacement as part of the new equipment supplied in the new Fire and EMS Headquarters.

The current Ariel truck is on a 1975 Mack Chassis and the Ariel device is a 1971 boom that was purchased as a refurbished unit in 1986 from the original manufacturer. The SCBA's are close to their 15 years of service life.

The Leicester Fire received grants in the amount of \$4,600.00 for our SAFE (Students Awareness Fire Education) Program and \$2,750.00 for Senior SAFE. This program is coordinated by Captain Michael Wilson and consists of Fire Department certified SAFE Instructors along with other firefighters going to our Schools, Day Care Centers and civic groups within our Community to provide instruction on the following topics such as Stop, Drop and Roll, Making and Practicing Home Escape Plans, Reporting Fire and Emergencies, Crawl Low Under Smoke, Kitchen and Holiday Safety and more.

The Senior SAFE program is a fire and life safety education program designed to improve the

safety of older adults through education addressing the unique fire risk of this age group. These risks include smoking, home oxygen use, cooking, electrical and heating dangers. This program also provides for the replacement of smoke and carbon monoxide detectors that are over 10 years old.

The Fire Department's new Recruit Firefighters participate in the Massachusetts Fire Academy Call/Volunteer Recruit training program. We graduate 4 Firefighters from the Massachusetts Fire Academy Call/Volunteer Recruit program. These programs require the Recruit Firefighter to volunteer between 280 to 310 hours to complete this training program. All new recruits are required to attend one of these programs in order to be appointed as a regular Firefighter for the Town.

The Fire Department would like to recognize the following Firefighter, who recently retired from the Fire Department, for his dedicated service to the Leicester Fire Department and the Town of Leicester: Michael Pappas - 12 years

Training for firefighters continues on a year round basis. They conduct monthly sessions to keep up the skill and learn new techniques brought into the fire service. These training sessions are held even during inclement weather as the firefighter never knows what type of weather they will encounter when they are needed.

The Board of Fire Engineers would like to thank the members of Fire Department for their dedication and devotion to the residents of the Town of Leicester.

Fire Station Building Committee

The Fire Station Building Committee was established in August 2014 and consists of representatives from the Board of Selectman, Capital Committee, Finance Advisory Committee, Ambulance/EMS Department, Fire Department (2) and a member of the community.

In 2016 the committee accomplished the following, working with architects from Donham and Sweeney Architects and the Owner's Project Manager (OPM) firm of ACG Architects:

Completed all the design documents, finalized the purchase agreements for 1 and 3 Paxton St., put the project out to bid in May, awarded the general contractor construction contract to Builders Systems Inc. (BSI) of Auburn, MA on July 15th, and construction began in September.

BSI was the lowest bidder and weekly constructions meetings began in September with the Architect, OPM, Town Administrator, and 3 members of the committee (Fire Chief, Asst. Fire Chief and Committee chairman) in attendance.

The status of the low bid allowed for reconsideration of requirements that the committee had deemed essential but had been cut from the original bid because the architect's estimates put them over budget. Change requests were fully vetted and voted by the committee to present to the Select board to approve - including these items that will improve

the vitality, durability and maintenance requirements: the addition of a training tower, upgrading of the exterior to be fiber cement board instead of vinyl siding and upgrading the flooring in the public restrooms to be ceramic tile. The select board did approve these changes and the full design was completed for them and incorporated into the general contractor's schedule. The cost of these additions are well within the budget and the project is still on track to come in under the budget approved by the town's people.

There was an official ground breaking ceremony held on September 11th with State Senator Mike Moore, State Representative Kate Campanale, the Board of Selectman, the Building Committee and members of the Fire & EMS service and their families, the Town Administrator, several town hall employees and the public in attendance.

Looking ahead to 2017, the constructions should be completed late spring, early summer with the Fire & EMS service working 100% from this new facility by the end of the summer.

The committee continues to meet regularly to ensure that the project stays on schedule and budget and that required change orders are processed in a timely manner.

The Committee and the Fire & EMS Departments want to thank the people of Leicester for their support of this important project.

Police Department

"Committed to the Community"

Introduction

It is again an honor and privilege to submit the Leicester Police Department's report to the community that we serve. The men and women of the Leicester Police Department have worked diligently to combat crime in our community. The report below is a synopsis of what occurred in your Leicester Police Department during 2016. The LPD, in partnership with the residents and businesses in the community, was able to keep the crime rate in the town low. There were also a number of significant investigations and arrests. After reading the report, if you have any questions, please feel free to contact the Leicester Police Department.

Being a Police Officer

It has been a difficult year to be a police officer. Shooting deaths of police officers rose by more than 50% and none of the shootings hit closer to home than the May 22, 2016 murder of Officer Ron Tarentino Jr. in Auburn. Officer Tarentino worked for the Leicester Police Department for seven years prior to transferring to Auburn PD. I vividly remember his excitement when he was told he was going to be hired full-time by the Leicester Police Department. It was the fulfillment of one of his career goals. Ron was more than a work colleague to us; he was a friend to everyone, a teammate, a hunting partner, a person to talk to about cars or play cards with on occasion. He will always be greatly missed and he will never be forgotten. Ron's family has faced their tragic loss with grace and dignity. They, too, will always be members of the LPD family.

Remembering Officer Ron Tarentino

The Leicester Police Department has two projects currently underway to memorialize Officer Ron Tarentino Jr.

1. Thanks to a generous donation that will be used as seed money, from the Leicester

Saving Bank Fund, the LPD will be erecting a memorial to Officer Tarentino at the Leicester Police Department.

2. Members of our legislative delegation are working on legislation that will rename the stretch of Rt. 9 in front of the LPD as the "Officer Ronald Tarentino Jr. Memorial Highway."

All the men and women of the Leicester Police Department would like to thank the members of the Leicester Community and beyond for their support and assistance during a very trying time.

Move to Regional Dispatch Center

On November 15, 2016 the Leicester Police Department's Emergency Dispatch Center ceased operation and all of the center's responsibilities were transferred to the Worcester Regional Emergency Communications Center (WRECC) in Worcester. All of the Leicester Police Department's full time dispatchers were offered positions at the WRECC and the majority of them accepted. The WRECC has a designated Leicester Dispatch Position, which handles all the phone and radio calls for the Town of Leicester.

The two most significant changes that residents will see pertaining to the regionalization of the dispatch center are:

1. The front desk at the Leicester Police Department is only staffed during the posted "lobby hours".
2. The LPD has been able to add an additional officer to the department based on the regionalization of dispatch. This added officer will be used for traffic enforcement and responding to calls for service.

The LPD remains committed to seeing that residents, and the community do not encounter

any significant changes in the quality of the law enforcement services they receive as a result of the move to the regional dispatch center.

The Opioid Crisis

The Opioid Crisis that is being experienced across the nation does not discriminate. The Town of Leicester is not exempt from the impact of this issue. While the opioid crisis has impacted Leicester, the LPD has worked in partnership with numerous agencies to combat the crisis in our community utilizing the following approaches:

- Co-sponsored District Attorney Joseph Early's Opioid Awareness Panel that provided first hand educational information from addicts, rehabilitation specialists, medical personnel, police, and prosecutors on the opioid problem in our area.
- Participated in the National Drug Take Back to collect prescription medication before an opportunity presents itself for the drugs to be diverted onto the streets of our community.
- Provides support to Talk, Tears, and Tea - a support group which utilizes the LPD community room to assist individuals who have to deal with the fallout from having a family member or other loved one who is an addict.
- Participated in the District Attorney's Opioid Task Force.
- Trained officers in the use of Narcan, which has saved several lives.
- Partnered with the Regional Drug Task Force on an opioid awareness video.
- The LPD operates two disposal kiosks that are available 24/7/365 in the lobby of the police station. One is for the disposal of medication and the other is for the disposal of needles.

The LPD remains committed to interdicting the possession and sale of all illegal narcotics with a special emphasis on Opioid based illegal drugs.

Gun Buy Back Program

The LPD once again participated in the "Goods for Guns" (a.k.a. Gun Buy Back Program). This is the third consecutive year that the LPD has participated. This year the "Goods for Guns" program bought back sixteen (16) firearms in Leicester. This brings the three year total for the number of guns bought back under this program to a total of fifty eight (58). The department also took in approximately 20 pounds of unwanted ammunition for destruction, and handed out 20+ free gun safety locks. I would like to thank Dr. Michael Hirsch, U-Mass Medical Center, and Worcester County District Attorney Joseph Early's Office for making this program possible. This program makes the streets of our community safer.

Crime Statistics for Leicester in 2016

Traditionally, the Leicester Police Department has provided a detailed crime statistic report for 27 different categories of crime. Those statistics are still available on the Leicester Police Department's website www.leicesterpd.org. The crime statistics for this year again show a continued decline in crime, based on the number of reportable incidents. The Leicester Police Department's crime statistics showed an increase in the following crimes:

1. Aggravated Assault
 - Increased from fourteen offenses in 2015 to nineteen offenses in 2016.
2. Intimidation
 - Increased from fifteen incidents in 2015 to twenty-two incidents in 2016.

There were significant decreases in the following categories of crime during 2016:

- Statutory Rape offenses decreased by 50%
- Larceny from motor vehicle offenses decreased by 47%
- General larceny offenses decreased by 10%
- Simple assault offenses decreased by 42%
- Larceny from a building offenses decreased by 47%

Additional Statistics for 2016

- Calls for Service (CFS)/Patrol Initiated Activity (PIA) = 22,721 (-3,174)
- Accident Investigations = 281 (+34)
- Arrest/Criminal Summonses = 431 (-33)
- Medical Responses = 1114 (+81)
- Investigative/Offense Reports = 933 (+30)
- Alarms (All Types) = 294 (+39)
- Motor Vehicle Stops = 2870 (+294) - increase of more than 1,000 stops over last two years.

This is the third consecutive year that crime has declined in the Town of Leicester. There are many factors and entities that have played a significant role in this decline including (1) police & community partnerships; (2) increased traffic enforcement; (3) increased crime reporting and information sharing; (4) good police work; (5) support from the business community; and (6) the public's willingness to share information freely with the Leicester Police. To everyone involved in these activities, we would like to thank you for helping make a difference in the community.

Criminal Investigations (Uniformed & Investigative Division)

The Investigative Division handles all criminal and narcotics investigations. During the past year they have handled a wide variety of cases, including, but not limited to:

- A breaking & entering investigation where DNA recovered at the scene led to the identification of the suspect in the crime and linked him to two additional house breaks in town.
 - A sexual assault investigation that led to the suspect being charged with 16 counts of annoying and accosting a person of the opposite sex.
 - An illegal drug distribution investigation that resulted in the arrest of two suspects and the eventual closing down of the house they used to sell the drugs.
 - An investigation into the ongoing theft of motorcycles and ATV's from the area. This investigation resulted in the execution of several search warrants which resulted in the recovery of several stolen motorcycles.
 - An investigation into the embezzlement of more than \$10,000 from a local business.
- and a whole lot more.....

Personnel and Staffing

There have been some significant changes at the LPD over the past year related to the department's staffing:

1. Sgt. Jeffrey Tebo, a 34 year veteran of the department retired at the end of November. Sgt. Tebo held many positions within the department throughout his career. Most recently he was in charge of firearms licensing and the "Home Firearm Safety Course". We wish him a long and prosperous retirement.
2. In March of 2016 the LPD welcomed Officer Charles Larson to the department. Officer Larson is a local resident who graduated from the Reading Police Academy.
3. In December of 2016 the LPD welcomed another local resident, Officer Travis McCauley to the department. Officer McCauley was already academy trained when he transferred to the LPD so he "hit the ground" ready to go.

The LPD continues to work at bringing the department up to adequate staffing levels. The department will be sending another police recruit to the police academy beginning on January 9, 2017. This recruit is scheduled to complete the academy in June of 2017 and will then become the 19th full time officer at the department.

National Drug Take Back Reaches Milestone in Leicester

The LPD and the Leicester Recycling Center continue to partner together for the National Drug Take Backs. Every year, for the past five years, the LPD and Recycling have collected and disposed of unwanted, expired, and unused prescription medications in an environmentally safe and legally approved manner. The fall 2016 collection netted more than 100 pounds of medication and put the total collected and destroyed by this project over the one ton

mark!! That is one ton of drugs that will not have the opportunity to be diverted onto the streets of our community. The LPD could not operate this program without Ruth Kaminski and her team of volunteers at the Leicester Recycling Center.

Social Media Use and Milestones by the Leicester Police

The LPD continues to utilize social media to stay connected with the community. You can follow the LPD on the following social media sites:

- Facebook at www.facebook.com/LeicesterPolice
- Twitter at twitter.com/LeicesterPD The LPD has surpassed the 3,100 mark for the number of followers the department has on Twitter.

This is a great way to get timely information on events that are occurring in the Town of Leicester. The LPD posts crime alerts, incident recaps, and many other items of interest to the community. We are also exploring expanding the LPD's presence on social media in the future.

Personnel and Police Unions

I would like to thank all the members of the Leicester Police Department, and the unions which represent them, for their willingness to work collaboratively to make the Town of Leicester a good and decent place to live, work, and raise a family.

On behalf of all the men and women of the Leicester Police Department, I would like to thank the entire community for their continued support.

James J. Hurley
Chief of Police

Highway Department

The Town's Resurfacing Program consisted of grinding and paving 6,335' of Bond Street; 2,750' of Burncoat Street; 3,260' of Charles Street; 2,200' of Watson Street; 844' of Breezy Green Road; 230' of Hillcrest Road; and 1,267' of Wesley Drive. Also, 390' of Holcomb Street; 190' of Utica Street; 250' of Rogers Road; 365' of Market Street and 300' of Colonial Drive were paved.

Our department continues to carry out the following duties: Sign and guardrail maintenance; roadside brush cutting; shoulder, ditch and drainage work; catch basin cleaning and repairs; street sweeping, line painting, and

grading of gravel roads; maintenance of Police Station, Senior Center, Copeland Library, all Veteran's Squares, Cherry Valley Cemetery, Elliot Hill Burial Grounds, Burncoat, Rochdale & Towtaid Parks and Community Field. The Highway Department also works at the Recycling Center with composting.

The Highway Department continues to work on storm water projects which consist of mapping all catch basins, manholes, detention ponds, and pipe outlets. We are now GISing all piping underground. This is a big project and will take some time to complete.

Recycling Committee

Our 26th year was by far our most challenging. When the economy is good and gas prices are down, our end markets generally dry up.

Our biggest volume product is paper, followed by plastic. Both of these end markets were lost during the year with the closure of a long-time business, Integrated Paper.

Our friend for many years, the owner of CRT Recycling, closed his business due to a fire, removing our end market for electronics.

A small Massachusetts business who recycles Styrofoam then closed its doors. Scrambling to find new end markets with no time to spare was stressful for the volunteers, but we prevailed. Just when we thought all was back on track, our compactor died. Equipment is vital to the success of our operation.

We have always taken pride in our ability to stand on our own without tax payer appropriation. But this capital expense was too much to handle on our own. Town meeting voters provided the funds for a used compactor replacement and funding to repair our second compactor. We are currently still working on this project and await with anticipation the completion.

We want to thank our Town Administrator, Kevin Mizikar, for his support and hard work during our past tumultuous year.

We would also like to thank Tom Wood, Highway Superintendent, for his continued support at the compost facility and yard maintenance. Without his assistance we would not have been able to operate effectively.

Road Conversion Committee

The Road Conversion Committee has had no activity over the last year. The few projects that

are under construction have not yet been completed at this time.

Tree Warden and Pest Control

The Office of Tree Warden and Insect Pest Control are responsible for the care and protection of all shade trees within the town of Leicester.

It has always been the practice of this office to save as many trees within the roadways of our town and still provide a safe environment for travel while keeping our roadways greener.

Our Town has been very fortunate not to have had any reports of invasive species appearing on any trees within our Community, and we feel very lucky when we look at other Communities in our area.

It is our opinion that Leicester is still enjoying the absence of these very destructive insects, such as The Asian Longhorn Beetles and the Emerald Ash Borer. If at any time our residents witness or suspect any of these insects, please contact the office of the Leicester Tree Warden/Pest Control Officer.

The office of the Tree Warden is continuing the implementation of an improved approach to a program of care and trimming in an effort to

reduce the impact of the effects of a future weather related event. In conjunction with the National Grid Hazardous Tree Mitigation Program. Many of our trees were removed along our roadways as recommended because of poor tree health conditions and the possibility of damage to the utilities overhead wires.

The Town has received a Sixty-Five Hundred Dollar (\$6,500.00) grant that will provide funding to replace the many trees that were removed along the highways of the Town. We expect that the new trees will start to be placed early this spring.

We continue to have aging trees and request from residents to have certain trees removed which we continue to investigate and evaluate as needed.

It is always the goal of this office to provide safe and beautiful trees in the town of Leicester. The Office of Tree Warden is always open for responding to the concerns and requests of the shade trees by the residents of Leicester.

Stormwater Management Committee

The Committee consists of the following members: Joanne Bernier representing the Leicester Public Schools, Stephen Parretti representing the Conservation Committee, Michael Knox representing the Water and Sewer Districts and Thomas Wood representing the Town of Leicester, Highway Department.

The Town of Leicester continues to be an active member of the regional coalition called Central Massachusetts Regional Stormwater Coalition (CMRSWC). The goals of the CMRSWC are to approach solutions and management of stormwater through collaborative training and education, regional data management and integrated mapping systems and standardize

policies and procedures. The Town's representatives to the CMRSWC are Town Administrator, Kevin Mizikar and Committee Member, Mike Knox.

The goal of the Leicester Stormwater Management Committee is to utilize the tools and resources secured by the CMRSWC to stay one step ahead of the current and future Federal Stormwater requirements. This has been successfully accomplished by working closely with the engineering firm of Tata and Howard, to assist us in identifying those tasks and then executed by the staff of Town of Leicester Highway Department. The Highway Department staff continues to update the storm water

related records with the mapping and GISing of catch basins, manholes and detention ponds within the Town. The completion of these tasks puts the Town in a good position to maintain compliance with the Federal Stormwater Regulations.

Of importance to the Town of Leicester, the Storm Water Committee is working very closely with the Town engineers collecting information such as road salt specifications, the Town's sedimentation control and construction/erosion

documents, all past incidents which the Town had to respond and training completed by personnel. All of this information will be gathered and more for the Town's new NOI 2016 MS4 General Permit.

Respectfully,
Thomas P. Wood
Chairman

Development and Inspectional Services

The Development & Inspectional Services Department (created in 2014) includes the following divisions:

- Code Enforcement/Building
- Conservation Commission
- Board of Health
- Moose Hill Water Commission
- Planning Board
- Zoning Board of Appeals.

Development & Inspectional Services oversees Leicester's land-use and development, including administration of a variety of land-use permits, and planning related to general land use, economic development, public health, housing, natural resources, and historic preservation.

Town Planner, Michelle Buck, serves as Director for this Department. Jeffrey Taylor is Code Enforcement Officer/Building Inspector. The two Department Assistants are Kelly Conroy and Barbara Knox. Health Services are provided through the Central Mass Regional Public Health Alliance (CMRPHA), with Julie VanArsdalen providing Health inspections.

The Department's commitment to residents is to provide high-quality customer service and to make navigating through permitting processes more efficient and easier to understand. Reports from each division in Development & Inspectional Services are below.

Code Enforcement/Building

Conservation Commission

The Conservation Commission administers the Massachusetts Wetlands Protection Act, the Rivers Protection Act, as well as the Town of Leicester Wetland Bylaws and Regulations. The purpose of these Bylaws and Regulations is to protect wetlands, related water resources, and adjoining land areas (buffer zones) in Leicester. The Conservation Commission is a five member Board appointed by the Board of Selectmen to three year terms. Conservation Commission members in 2016 were: Stephen Parretti (Chair),

John Marc-Aurele (Vice-Chair), JoAnn Schold, Joshua Soojian, and James Cooper.

2016 Conservation Commission Filings

Type of Filing	# of Filings
Notice of Intent (NOI)	13
Abbreviated Notice of Resource Area Delineation (ANRAD)	0
Request for Determination of Applicability (RDA)	12
Certificate of Compliance	12
Enforcement/Cease & Desist Order	3
Emergency Certifications	0
Appeals	0

Conservation Commission members regularly conduct on-site reviews to ensure that work conforms to applicable laws and regulations, as well as adhering to Orders of Conditions and Determinations that are issued by the Commission.

Board of Health

The Board of Health promulgates guidelines and regulations concerning the safety and well-being of the public. The Board also engages in public health emergency preparedness planning, communicable disease control, community health improvement planning, immunizations, solid waste and recycling, on-site sewage disposal, recreational camp and public pool inspection, food safety and protection, housing and nuisance type complaints such as noise, dust, and odor. The Board is a three member elected board with each member serving a term of three years. The current members are: Christopher Montiverdi (Chair), Debra Rigiero, and Richard Spaulding (elected June 2016). Robin Wood did not seek re-election and served on the Board through the June 2016.

In 2011, the Town entered into an inter-municipal agreement with the City of Worcester's Division of Public Health (WDPH) in

order to provide a wider array of public health services to the community. Worcester is the lead agency of the Central MA Regional Public Health Alliance (CMRPHA) which consists of the Towns of Grafton, Holden, Leicester, Millbury, Shrewsbury and West Boylston who work cooperatively to create and sustain a viable, cost-effective, and labor-efficient regional public health district. CMRPHA provides a range of services to partner municipalities through a single organization managed by WDPH.

CMRPHA achieved a major goal in 2016 by becoming the first nationally accredited health department in the Commonwealth and the first multi-jurisdictional health department in the country out of approximately 5,000 health departments in the United States. This 5 year accreditation marks a new culture within the CMRPHA: working creatively and collaboratively to achieve excellence and sustainability with a focus on constant quality improvement. In 2016 CMRPHA also worked on creating a new strategic district-wide plan as a way to set short term and long term goals (to be released in February 2017). With a total workforce of 25 public health professionals, CMRPHA communities can rely on public health expertise and experience as described below.

Environmental Health

Regional Public Health Specialists assist businesses and residents to comply with numerous environmental health regulations. Most recognized is the food protection program, in which staff conduct routine and follow-up inspections of food establishments, review plans for new food establishments, and investigate complaints. Regional Public Health Specialists conduct inspections for wells, septic systems, semi-public and public swimming pools, tanning facilities and recreational camps for children. They also investigate complaints related to housing, lead paint, illegal dumping, the release of oil or hazardous materials, and nuisances in accordance with local, state and federal regulations.

Public Health Nursing

Under Mass General Laws, Chapter 111, suspected and/or confirmed cases of diseases dangerous to the public's health are reportable to the local Board of Health and/or the Mass Department of Public Health. Reporting disease occurrences enables staff to monitor trends, detect and control outbreaks, and evaluate prevention activities. CMRPHA regularly collects important information on all reported diseases in the Town of Leicester as part of routine epidemiological disease investigations.

2016 Reported Diseases	
Reportable Disease	# of Cases
Campylobacteriosis	2
Giardiasis	2
Group B Streptococcus	2
Hepatitis B (acute)	1
Hepatitis B (chronic)	4
Hepatitis C (acute)	1
Hepatitis C (chronic)	14
Human Granulocytic Anaplasmosis	4
Influenza	13
Lyme Disease	27
Pertussis	1
Salmonellosis	1
Streptococci pneumonia	2
Total	74

CMRPHA assisted with the Town's annual flu clinics held at Leicester Senior Center, Leicester Town Hall, Nazareth Home and Archway on Total vaccinations administered: 130.

Community Health

In June 2016, the CMRPHA released the 2016 Greater Worcester Community Health Improvement Plan. The plan provides a framework that will lead our region to become the healthiest region in New England by 2020. The new CHIP outlines a strategic plan for nine priority areas which include: access to care, access to healthy food, cultural competency, economic opportunity, mental health, physical activity, racism and discrimination, safety, and substance abuse. The CHIP was based on data from CMRPHA Community Health Assessment, which was released in November 2015 and a CHA addendum specific for Leicester which was released in early 2016. Other CMRPHA staff activities 2016 included the following:

- Worked on development of a multi-year strategy for implementation of a 5-year \$100,000 Massachusetts Substance Abuse Prevention Collaborative grant awarded to Leicester, Shrewsbury, Grafton, and Worcester in 2015. The grant supports prevention of youth substance abuse in Leicester.
- Met with Leicester Superintendent to discuss needs and opportunities for collaboration. CMRPHA staff attended Leicester school wellness committee meetings and participated in the Leicester Schools Wellness Fair in April.
- Coordinated a 4-Town regional youth health survey that included Leicester Public Schools. The survey collected information on what types of risky or positive health behaviors that youth engage in. The data was analyzed by UMass Medical School; CMRPHA staff presented the results with recommendations to Leicester Public Schools Administration.
- Continued implementation of a 7 year (\$100,000 per year) Massachusetts Opioid Abuse Prevention Collaborative grant awarded

to CMRPHA. Across the Alliance, awareness events, education and training activities took place to prevent opioid overdoses. These efforts include capacity building, through the formation of the Regional Response to Addiction Partnership (RRAP), prevention education in the form of Narcan administration training, and community resources awareness.

- Solicited applications for the Youth Health Action Committee (YHAC). The YHAC is a new initiative comprised of young people (ages 15-18) from CMRPHA member communities interested in driving social change efforts to promote healthier communities.
- Coordinated activities for Leicester as a member of Worcester Regional Tobacco Control Collaborative, which provides enforcement of Massachusetts General Laws and local regulations around youth access and environmental tobacco smoke. This includes retailer education visits and regular enforcement checks. During calendar year 2016, there was one sale of tobacco products to minors by retailers in Leicester out of 12 permitted establishments.
- Assisted the Leicester 84 Chapter in completion of orientation training and participated in Kick Butts Day at the State House in March. (The 84 is a statewide youth group with local chapters that educates youth about tobacco and provides youth leadership opportunities to reduce smoking.)

Public Health Emergency Preparedness

The Worcester Division of Public Health (WDPH) has once again been awarded the Region 2 Health and Medical Coordinating Coalition (HMCC) grant by the Massachusetts Department of Public Health (MDPH) Office of Preparedness and Emergency Management (OPEM) with the goal of supporting regional multi-disciplinary emergency planning and response initiatives throughout the 74 cities and towns located in the MDPH Emergency Preparedness Region 2. 2016 Emergency Response Activities included the following:

- The City of Worcester launched a new program that allows access to an after-hours Duty Officer for all Region 2 communities.
- In November 2016, WDPH emergency preparedness staff attended a monthly BOH meeting to review and update the town's Emergency Dispensing Site (EDS) plan.
- Leicester responded to all required quarterly MDPH internet-based emergency drills (WebEOC) with the support of WDPH emergency preparedness staff.

Moose Hill Water Commission

The purpose of the Moose Hill Water Commission is to work toward establishment of the Moose Hill Reservoir as a Class A Public Drinking Water Supply for the Town of Leicester and surrounding communities in need of water. The Moose Hill Water Commission is a three member elected Board, with members holding three year terms. The present Commissioners are Kurt Parliament (Chair), Harry Brooks, and Carl E. Wicklund, Jr.

In 2016, Commissioners participated in a comprehensive study of the Town's drinking water supplies (funded by the Department Environmental Protection and prepared by students at the Worcester Polytechnic Institute).

Members of the Commission discussed ways to better inform Leicester residents about Moose Hill Reservoir and its development as a water source for Town of Leicester's future economic growth and water needs.

In November 2016, the Commission voted to support use of funding leftover from a 2008 Moose Hill Feasibility Analysis to prepare an updated cost-benefit analysis of development of Moose Hill Reservoir in conformance with Department of Environmental Protection Requirements.

All those wishing to express their opinion towards the planning and development of the reservoir are invited to attend Commission

meetings or express their views in writing to the Moose Hill Water.

Planning Board

Planning Board is responsible for review of applications for approvals under the Zoning Bylaw and Subdivision Regulations. This includes Site Plan Review and/or Special Permit applications for commercial developments, subdivision applications, and endorsement of ANR Plans (plans depicting new lot lines on existing streets). The Planning Board is also responsible for long-range land use planning for Town of Leicester, including implementation of the Leicester Master Plan and Open Space & Recreation Plan.

The Planning Board is comprised of five elected members and an appointed Associate Member. In 2016, Jason Grimshaw and Debra Friedman continued to serve as Chair and Vice-Chair, respectively. Sharon Nist and David Wright continued to serve as regular members of the Board. Adam Menard served through the June 2016 elections. Alaa AbuSalah was Associate Member through June, when she was elected as a regular member of the Board. Carol Pappas was appointed as Associate Member in August and resigned in November 2016.

Site Plan Review Applications 2016
1. Huntoon Memorial cell tower (approved 2/2016)*
2. Fire & EMS Headquarters (approved 2/2016)*
3. 466 Stafford Street Solar (approved 4/2016)
4. Cherry Valley Solar (approved 6/2016)
5. LaFlash Boutilier Solar (approved 10/2016)
6. Mulberry Solar 2 (renewal of expired permit; approved 11/2016)
7. KM Kelly, Inc., 93 Huntoon (Approved 12/2016)
8. McNeil Highway Solar 2 (renewal of expired permit; hearing scheduled for 2/2017)

* Application received in 2015

Special Permit Applications 2016
1. American Canine (approved 2/2016)*
2. Mike's Donuts Drive-Through (approved 6/2016)
3. AA Transportation (approved 9/2016)
4. Shaping Zone for Women (approved 10/2016)
5. Curtis Self-Storage (approved 12/2016)

* Application received in 2015

Amendments/Extensions 2016
1. Cherry Valley Solar (3 amendments approved 7/2016, 9/2016, and 10/2016)
2. Fire/EMS Headquarters amendment (approved 7/2016)
3. Briarcliff Estates extension (discussion scheduled for 1/2017)

The Planning Board also approved 1 Preliminary Subdivision Plan on Marshall Street (23 Lots), 1 ANR Plan (3 new building lots), and several minor applications (changes to performance agreements, lot releases, etc.).

Construction of the following Planning Board approved projects was completed in 2016: Cumberland Farms parking expansion, AA Transportation, and Shaping Zone for Women. Several commercial solar developments are currently under construction or will start construction in 2017. The following residential projects approved in prior years remain incomplete: Boutilier Estates, Briarcliff Estates, Grandview Estates (in default), Hammond Street Extension, Oak Ridge Estates, and Pondview (in default).

Zoning Bylaw Amendments May 3, 2016 Town Meeting

Article #	Description	Town Meeting Action
22	Rezoning of properties on the south side of Route 9 between Auburn and Church Streets from Residential 2 to Business	Approved
23	Amendments to the Zoning Bylaw to modify regulation of medical marijuana.	Disapproved

Town Planner Projects 2016:

- Continued improvements to Development & Inspectional Services website, including adding Frequently Asked Questions to Building, ZBA, and Board of Health pages, and copies of applications under review by the Planning Board, Conservation Commission, and Zoning Board of Appeals web pages.
- Prepared zoning amendments related to Medical Marijuana and expansion of the Business (B) District in Cherry Valley.
- Applied for Open Space Committee Estate Planning Grant (grant approved February 2016). Funds were used to host an Open Space Estate Planning Workshop in April 2016.
- Researched potential Zoning amendments related to commercial solar farms
- Participated in Water Resource Outreach Project conducted by Worcester Polytechnic Institute and the Massachusetts Department of Environmental Protection.
- Worked on Planning Board Subdivision Regulation amendments to implement Master Plan.
- Participated in planning activities related to the Community Development Block Grant Program
- Researched potential e-permitting options
- Assisted Economic Development Commission with participation in the Economic Development Self-Assessment Tool (EDSAT) Program offered by Northeastern University.
- Continued to monitor the construction of approved subdivisions and commercial projects. Slow completion of residential projects continued to be a problem in 2016.

Zoning Board of Appeals

The Zoning Board of Appeals (ZBA) reviews applications for special permits, variances, and appeals in accordance with Leicester's Zoning Bylaw and the Massachusetts Zoning Act (MGL 40A). The ZBA reviews special permit applications for non-conforming uses and structures, signs, watershed overlay district uses, and commercial uses in certain

districts (other special permits, including most commercial special permits, are issued by the Planning Board). Variances applications are requests for relief from Zoning Bylaw requirements (generally dimensional requirements). The Board also reviews appeals of Building Inspector decisions.

The Zoning Board of Appeals is an eight member appointed board having five regular members and three alternates. The Board's present members include: David Kirwan (Chair), David Orth (Vice-Chair), Jim Buckley (Clerk), Vaughn Hathaway, and Paul Schold. Alternate members are Mary Moore, Richard Johnston, and James Reinke.

2016 ZBA Applications

Application Type	#	Detail
Variance*	5	3 approved, 1 withdrawn, 1 denied
Special Permit*	7	4 approved, 1 disapproved, 1 withdrawn, 1 continued to 2/2017
Appeal	2	1 withdrawn, 1 disapproved

*includes action on 1 application received in 2015

Agricultural Commission

The appointing authority shall fill a vacancy based on the unexpired term of the vacancy in order to maintain the staggered cycle of appointments with the assistance of recommendations made by the Commission.

Said Commission shall choose its officers who shall be a Chairman, Vice Chairman and Clerk. The Clerk shall be responsible to keep and file minutes of all meetings in accordance with the state statute.

Our mission is to serve as facilitators for encouraging the pursuit of agriculture in the town of Leicester, promote agricultural-based economic opportunities, act as mediators, advocates, educators, and/or negotiators on farming issues; working for preservation of prime agricultural lands, pursuing all initiatives appropriate to creating a sustainable agricultural community and preserving the rural character of Leicester, Massachusetts.

Members:

Dianna Provencher - Chair
Kim Miczek – Vice Chair
Kurt Parliament - Treasurer

Matthew Soojian - Clerk
Marjorie Cooper
Mary Harris
Pat Dykas

Since our first meeting held September 23rd, 2014 the commission has heard complaints, taken steps to broaden our resources, such as joining the Massachusetts association of agricultural commission and attending various conferences and seminars.

The Leicester AgCom meets once a quarter at the Town Hall. The Leicester AgCom is an appointed town committee primarily of farmers to create awareness of agriculture in the community. The Leicester AgCom is a pro-active step for our community take steps to preserve agriculture and go on record as supporting agriculture.

Volunteer members encourage farming in all of its definitions; promote economic opportunities such as farmers' markets and grant opportunities, educate about farming and address concerns and opportunities preferably before problems arise.

Economic Development Committee

The Economic Development Committee continued to develop strategies to attract new businesses to Leicester throughout 2016. Leicester was represented by board members at the regional economic development meeting that included many surrounding towns and planning professionals from the Central Massachusetts Regional Planning Commission. Throughout our discussions with surrounding towns it became evident that regionally we all share a common deficiency in infrastructure. Inadequate water and natural gas resources thwart many traditional business endeavors throughout the region. The lack of fiber optics also hampers more technology related businesses that the area is also trying to attract.

The Worcester Regional Chamber of Commerce has been tasked with compiling data and formatting a Comprehensive Economic Development Strategy that will help identify strengths and weaknesses throughout the central Massachusetts economic corridor. The goal is to better understand where federal and state funding or other programmatic policies would best serve individual municipalities and also the region as a whole.

These meetings have also opened communicative channels for information sharing between economic development entities among the towns that attended. The idea being that a business that might not be viable for one town might be for another and the regional community reaps the benefits as a whole.

Bolstering infrastructure along identified business corridors has been at the forefront of many conversations. Grant opportunities, state and federal funding, joint ventures and any other “out-of-the-box” solutions are all up for discussion and exploration. Water, natural gas and transportation diversity are identified as keys to continued economic growth. A potential interchange at route 56 and the Massachusetts Turnpike, designated Alternate 4, is an amazing opportunity for business development along the route 56 corridor. The development of this interchange coupled with the potential for expanded freight rail on existing lines could lead to development opportunities in keeping with the master plan and present zoning bylaws.

School Department

Superintendent of Schools

The Leicester School Department serves 1577 students in our four public schools as well as 26 students who attend specialized schools. Additionally, 75 Leicester students attend vocational school at either Tantasqua Regional Vocational High School or Assabet Valley Vocational High School.

Over the past year, the Leicester School Department made significant progress toward achieving district goals that were first formulated at the Future Search event, held in

May of 2013. The event involved an array of stakeholders representing our community, parents, students, and staff. Our improvement efforts are focused on three key strategies:

(1) Engaging Instruction and Effective Interventions Grounded in a Rigorous Curriculum

The three key actions related to this goal are to align PK-12 curriculum and assessments and reporting to standards, expand curricular offerings to ensure a rich and viable instructional

program, and implement a system of interventions, support, and enrichment.

(2) *Development of Staff Skills through Effective Feedback and Training*

The key actions related to this goal are to implement and leverage the educator system in order to improve teaching and learning and to develop a personnel system that attracts, rewards, recognizes, and retains faculty and staff who provide a quality learning experience for all students.

(3) *Improved Infrastructure and Resources*

The three key actions related to this goal are to upgrade and repair school facilities, to ensure the effective and efficient allocation of financial resources, and to improve technology access and use.

During 2016, math curriculum for K-5 was completed while curriculum work for grades 6-12 math, science and ELA is in progress. Continued training and support for the use of Google tools is underway and additional professional development has focused on student engagement and math and ELA workshop model. The mentoring program has improved each year and is considered a great support to new teachers. Our middle school STEM teacher has been trained in Project Lead the Way engineering curriculum through a partnership with WPI.

The library task force continues to meet to improve access and quality of library media programming. Assessment and intervention plans improve each year. Through the past year, teachers increasingly used data to guide teaching and learning. Efforts to improve student behavior through PBIS and work with Engaging classrooms in grades K-8 are significant.

The facilities committee is a strong group that contributes to the work of improving facilities in the district. The high school roof was replaced this year with significant financial support coming from the Massachusetts School Building Authority.

Technology access and use is dramatically on the rise. Most significantly, this year we initiated a one-to-one Chromebook program for high school students and have provided students in other district schools with additional devices.

Since we cannot accomplish our instructional goals if limited by the budget provided by the town and state, we continually look to secure additional funds and develop partnerships to provide a variety of resources to schools. As in years past, our Mothers' Club and Boosters' Club have contributed to our classrooms and playing fields in significant ways. Tuitions from School Choice and from international students provide additional resources.

Our School Committee has worked hard to build its knowledge and skills to lead our district, engaging with the Massachusetts Association of School Committees for training and resources and putting in countless hours to review district policies and finances. Their work and the work of our administrative team has led to stronger relationships with town officials. In 2017, the town and schools will launch an online feedback process called Thoughtexchange. In our efforts to continue to improve our education system and our town we need to better understand the community's values and needs. We hope to use this information to set priorities for town and school initiatives moving forward.

Leicester Special Education

In July, the district welcomed Michael Wood as the new Director of Student Services. Student services oversee special education, homeless students, nurses, and all related services provided to students. Leicester had 261 students identified with disabilities, who had Individualized Education Programs (IEP), with 235 in in-district programs and 26 in specialized schools outside of Leicester. In addition to academic support, students may receive services such as occupational therapy, physical therapy, speech/language therapies, functional academics, life skills development/training, and other therapeutic services to meet their educational-based needs. Educational

environments range from inclusive classrooms to alternative settings for students at risk of failing and/or dropping out of school.

At the start of the school year, we began training our high school special educators and regular educators in the art of co-teaching to make the delivery of specialized instruction more seamless and to benefit all students. In addition, we began offering all paraprofessionals specific training in instructional strategies that motivate and engage reluctant learners.

In response to the changing profile of learners, Leicester Public Schools now employs three full time behaviorists, two of whom are Board Certified Behavior Analysts (BCBA). These professionals provide direct and indirect services to students whose learning is impacted by their behavior and environment. In addition, these professionals provide guidance to staff so that students can successfully access the curriculum and make progress within the least restrictive environment.

Families of students with disabilities are encouraged to participate in the Special Education Advisory Council (SEPA), a parent-run organization whose function is to work in collaboration with school district leadership to positively impact special education programs and policies. The group meets regularly on the second Thursday of each month while school is in session.

In addition to serving students with IEPs, Leicester Student Services ensures that children and youth experiencing homelessness are provided protections afforded by the McKinney-Vento Homeless Assistance Act. As defined by this Act, homeless children and youth are individuals who lack a fixed, regular and adequate nighttime residence. Once identified, such students are provided access to educational services that may include transportation, free breakfast and lunch, school supplies, Title I assistance, to assure equal access to the same

free and appropriate public education that is afforded to other children and youth.

Leicester High School

Leicester High School is a NEASC accredited high school designated as Level 1 by the Massachusetts Department of Elementary and Secondary Education. There were 433 students enrolled at LHS in 2016. The Class of 2016 graduated 104 students of which 85% went on to higher education, 3% to Armed Services and the remaining to the work force. Twenty-seven students were recognized as John and Abigail Adams Scholars and have been offered four years of free tuition from a Massachusetts college or university. In 2016, students took a total of 139 AP exams, 72 of which earned qualifying scores. The dropout rate, 1.6%, is considered very low as compared to similar high schools.

Leicester High School is currently preparing for its decennial NEASC accreditation. The focus is to determine the extent to which our programs and services carry out the school's core values and beliefs about student learning and meet the standards for accreditation.

LHS requires 40 hours community service for graduation, which contributes to the development of character as well as strengthening a sense of community. Students are also active in clubs and athletics; during the fall season over 50% of high school students competed on high school teams. Extra-curricular activities include A Capella, The Arrow, Book Club, Film Club, Gender Sexuality Alliance, Environmental Club, History Club, Math Team, Art Club, Foreign Travel Club, Ski Club, International Club, Student Council, National Honor Society, Drama Club, Scrapbooking Club, Tri-M Music Society, Bowling Club, Teens Act and Yearbook. Additionally, LHS offers a senior internship program, dual enrollment programs, and virtual high school courses.

While many in Leicester continue to call our facility "the new high school," the facility is now

20 years old and attention to the its maintenance and infrastructure is important to protect the town's asset. The roof project, funded in part by the Massachusetts School Building Authority, was completed over the summer of 2016. As part of this project, ADA improvements, including the replacement of the front entrance walkway, were completed. Additionally, we replaced the building's original phone and bell system with a Voice Over Internet Protocol (VOIP) system.

In 2016, the high school implemented a 1:1 Chromebook program in which students were provided with a Chromebook for school and home. In a survey taken by students after the first three months of the program, students expressed the usefulness of the devices both at school and at home.

Leicester Middle School

Leicester Middle School houses 402 students in grades 6-8. Our current instructional offerings include the four core courses of math, English, science and social studies. New this year, students are provided with an additional period of mathematics and ELA and both French and Spanish are offered. Students receive instruction in STEM (Science, Technology, Engineering and Math) with curriculum supported by a partnership with WPI. Our related arts program includes physical education, health, and music/band. We offer a wide variety of afterschool programs and activities, including competitive sports, drama, newspaper, ski club, art club, yearbook, band/chorus, peer leaders, NJHS and student council. Additionally, we are developing a vibrant library program, which is housed in a newly refurbished library media center staffed by a certified library media specialist.

The middle school experience is a critical and pivotal time for students. Adolescence, peer pressure, self-image and a sense of belonging all contribute to student achievement and future success. In order to be an outstanding middle school, we foster a safe and respectful environment, which allows opportunity for

academic risk taking. Once established, rigorous lessons and high expectations become the norm, resulting in higher achievement for students. Our efforts in this area were supported by professional development from Engaging Schools, a nonprofit organization that collaborates with educators to help create a schoolwide community of learning that integrates academic, social, and emotional development — and prepares each and every student to succeed.

Leicester Memorial School and Primary School

In 2016, the Primary School enrollment was 360 students in pre-kindergarten to second grade and the Leicester Memorial School enrollment was 362 in grades 3-5. All PreK-Grade 5 students receive instruction in the core academic subjects, as well as participate in our special subject areas of art, music, health, and physical education. Additionally, a before and after school program is offered to families in both schools.

Both elementary schools are implementing practices to better support the academic and social-emotional needs of our students. Teachers in all grade levels received in-depth training to successfully launch our K-5 initiative, Positive Behavioral Interventions and Supports (PBIS), a proactive approach to establishing behavioral supports that aide in building a positive and safe learning environment.

Additionally, the teachers at both schools continue to refine the mathematics curriculum as well as refine how we teach literacy in the early grades. To complement the work with PBIS and ensure that we meet the needs of our diverse learners, a workshop instructional approach is being implemented in mathematics and English Language Arts, which will allow our teachers to differentiate instruction through small group lessons to meet individual student needs. Primary School's pre-kindergarten program continues to provide our youngest students with rich academic and social

emotional opportunities through the use of *Tools of the Mind*.

Instructional practices also continue to be enhanced to increase student discourse and engagement and to provide opportunities for students to articulate their thinking and reasoning. Technology devices, including iPads, laptops, and chromebooks allow classroom teachers to better incorporate technology in their daily instruction and to utilize the online components of our core math and ELA programs.

Despite our best efforts to provide a quality instructional experience, some students struggle to meet the high expectations in math and reading. In response to these demands we have coordinated efforts to enhance our intervention programs. Both schools continue with a Response to Intervention (RTI) approach, supported by Title I funding, to identify student learning gaps and provide targeted and systematic remediation in those areas.

Field trips and extracurricular opportunities are provided to enhance our elementary students learning experiences. Primary School students enjoy field trips to the EcoTarium and the Hanover Theatre for plays and are offered the opportunity to participate in an after-school art club. Memorial students enjoy field trips to Plymouth Plantation, Mystic Aquarium and the Freedom Trail in Boston and are offered extra-curricular opportunities that include band, chorus, and student council. Students elected to the student council volunteer to support team and community building events within the school.

Both schools continue to engage the community in multiple ways that include conducting food drives for the Leicester Food Pantry, arranging holiday concerts at the Senior Center, implementing a senior pen pal program, hosting a community reading day, and hosting several family fun and informational nights.

Animal Control

2016 Dogs Licensed: 1698

By-Law changes to the Dog Regulations went into effect this year.

86 Animals vaccinated at Town sponsored rabies clinic held in the spring of 2016 which was a poor turn out compared to previous years.

New used van was purchased for Animal Control Department 2016.

Calls into Animal Control approximately 1,000 +.

Animal handled 12+ - held at the Spencer Animal Control Pound.

Citations issued: 860 for violation of State and Town By-Law. Most of these citations were for unlicensed and/or unvaccinated animals kept in Town.

Fox tested positive for rabies after attacking two people in the King Street and Pleasant Street area. Several reports of fox, raccoon and porcupine acting sick or injured throughout the Town during the summer and early fall months.

Commission on Disabilities

The Commission on Disabilities worked to increase public awareness throughout our community in 2016. Representatives hold permanent seats on other capital improvement type committees and continue to add insight and lend direction towards a universally accessible community. Our commitment has reached to the private business sector as well as new businesses have looked to expand or undergo renovations that trigger compliance with the Massachusetts Architectural Access Board.

Through our knowledge of the accessibility code and the rules that govern the Massachusetts School Building Authority (MSBA) ADA improvements at the high school were conducted with a 57 percent share paid for by the MSBA. Additionally, a design for a compliant ramp at Memorial School was rendered and presented to the School Facilities Committee for

consideration and implementation. Commission members have permanent seats on the School Facilities Committee.

Commissioners also sit on the Community Block Grant Development Committee and have been instrumental in implementing new programmatic policies that make town hall more accessible. Plan review and letters of support for the town hall accessibility renovation plan were also conducted by the Commission on Disabilities. The Town Library renovation project was also reviewed by the commission with regard to the historical front entrance and its subsequent abandonment.

Through multiple positions on multiple boards the commission seeks to continue its work throughout 2017 and is pushing for Russell Field accessibility accommodations as well as continued improvements at all other town properties and buildings.

Health Insurance Advisory Committee

Pursuant to Mass General Laws Chapter 32B, the Town each year appoints this advisory group and conducts meetings with the members as needed. The group considers health insurance proposals and is made up of representation from each employee group, including general government workers, retirees, both Highway and Police union reps, along with School union representatives. Currently serving in an ex-officio status are both the town administrator and the school superintendent.

The Health Insurance Advisory Committee (HIAC) considers proposals made to the Town of Leicester and may make a recommendation to the Town Administrator. However, the sole authority for selection of health insurance coverage lies with the Board of Selectmen.

We thank the members for their participation and continued efforts on behalf of employees & retirees and the administration.

Leicester Housing Authority

The Leicester Housing Authority held its 53rd organization meeting on June 21, 2016. The following officers were elected for the coming year:

Robert Small, Chairman
Expiring Term: 6/2020

Richard Hammarstrom, Vice Chairman
Expiring Term: 6/2018

Jamie Lee Wood, Treasurer
Expiring Term: 6/2019

Richard Connor, Member
Expiring Term: 6/2017

Dennis Granville, State Appointee
Expiring Term: 1/2016

Daniel F. Brosnihan Jr. continues his duties as Executive Director.

The Leicester Housing Authority has 124 units of one bedroom apartments for elderly and handicap. To be eligible for a unit an individual must be 60 years of age or handicapped, as set out in M.G.L.c 121B 1. The net income for one

person must not exceed \$46,100.00 or \$52,650.00 for two people.

An additional eight units are on Mulberry Street leased to ARCHway, Inc. This group residence houses eight autistic individuals.

The Housing Authority installed new water lines to 1075 Main St. building that has 44 apartments. A new hydrant was also installed.

The Board of Commissioners wish to thank everyone for their contribution to the Housing Authority.

Sincerely,

Nancy Haggland

Nancy Haggland
Executive Director

Senior Center/Council on Aging

Leicester has 2,448 seniors (60 and over). This is an increase of 804 since the 2010 census. Last year we had a town census of 2,394. The increase in seniors will continue for some time as those who fall within what is called the “boomers” are now a major part of our society.

As we experience the above phenomena we are encouraged by the fact that many of these folks are avant-garde in their approach to retirement. They want to be informed and educated. They are health conscious. These young seniors do not sit back and wait for things to come to them. Instead, they seem to approach life and aging as something magical. They are ready to go out and explore. They want to know what the future holds for them in terms of living arrangements.

It is for these reasons that we have arranged visits to many facilities that offer such things as: Independent Living, Assisted Living, Memory Café, Long-Term Care, etc. Each month they board a bus, have a tour and lunch at various sponsoring facilities. It is a win-win situation for us and those who run such places: Overlook in

Charlton, Goddard House in Worcester, Tatnuck-Park Senior Living in Worcester, Brookdale at Eddy Pond in Auburn and Worcester Adult Day Care Center in Worcester.

In order for us to meet old and new programming and activities, we changed our mission as follows: “Leicester Senior Center enriches the lives of seniors by providing opportunities for volunteerism, education, recreation and social engagement.” Over the last six years we have crafted programs embracing the above evolutionary process. We have implemented a curriculum to meet the wants of seniors who are flocking to our center from several local towns to participate in an abundance of programs. Topics on **nutrition and health, Financial Planning, How to be a Savvy Consumer, Downsizing** offered by professionals are ongoing.

As a senior center we welcome our schoolchildren. Our High School senior honor students come to the senior center to help us serve at large functions such as our Annual

Veterans' breakfast, Senator Moore's Thanksgiving Dinner or other major functions. Later in the year we welcomed them to our annual Christmas Breakfast. As they sit with our seniors they ask questions about life, career. Both are eager to learn about each other. Our Pen Pal program with 4th graders continues to be very popular. Our Middle-School and Primary School children come to entertain at Christmas time. These special moments with our young adults and little ones are energizing. During these visits we realize how fortunate we are to have such wonderful young people in our community. Our intergenerational approach enriches the lives of our seniors, our schoolchildren and our community. Many are volunteers who faithfully dedicate themselves in our kitchen, helping with Bingo, deliver meals; assist during special events.

Our exercise programs are as follows: Zumba Gold, Yoga, Chair Yoga, Tai Chi, Balance, Senior Exercise and Line Dancing. We hold "Wellness Fairs" twice a year that attracts many social services agencies and our seniors. Socially we offer: Cribbage, Bingo, Saturday Evening Pitch, Senior Citizens Club, Breakfast Club, Golden Needles Club. We have a monthly Grief Session. All are well attended.

Outreach continues to be a big part of our senior center programming. Outreach assists individuals with SNAP food applications, food bank distribution; Holiday baskets, gift certificates. Outreach oversees our volunteer program including tax write-off; Farmers' Market; and Grief Session. They go out into our community to evaluate needs. They maintain accurate case files in strictest of confidence. The following are some statistics for our senior center in 2016: CAC (Community Action Council) assisted 250 elders with fuel assistance. AARP served 73 seniors from Leicester and

surrounding towns with free tax preparation. Acclaim Health Care and The Meadows provided 400 individuals with blood pressure. SHINE assisted 18 individuals with their Health Care and insurance concerns.

On August 22, flu shots were administered to 40 individuals. Monday morning classes with Genevieve are ongoing for 10 art enthusiasts. On August 20th, 24 seniors attended the annual Sheriff's picnic in Shrewsbury. Twenty-five seniors took part in a Christmas Centerpiece by Bemis. On September 21, Donna Lee had her show of shows called the "Legendary Ladies of Country Music" with 154 in attendance, sponsored by our **Local Cultural Council**. The Department of Mental Health began their series of Community Conversations with their first program entitled "Enjoying the Later Life Years" with 25 in attendance. On October 26, Kate Campanale hosted a Halloween party for 85 seniors. Lunch for that event was catered by E.B. Flatts. On November 1st, Senator Moore served his annual turkey lunch and served 113 seniors. On November 10, we had our annual Veteran's Breakfast with over 150 in attendance. Last year over 20,000 hours of free service which results in a saving to us of \$204,000. Our meals program served 15,780 Congregate and Meals on Wheels this past year; which is 25% more than last year.

We thank our financial supporters as follows: Town of Leicester, Executive Office of Elder Affairs (Council on Aging), Greater Worcester Community Foundation, Country Bank, Leicester Cultural Council. Additionally, without the financial kindness of local businesses and the involvement of local social service agencies we would not have the quality and abundance of programs we now offer our seniors. We must acknowledge the Johnson Farm for their bountiful supply of fresh vegetables to our senior center each year.

Veterans Services Office

In 2016, this office continued to provide services and particularly financial assistance in the amount of \$103,000 for Veterans and Veterans families of Leicester, who served in WW2, Korea, Vietnam, the Persian Gulf, the war in Iraq and Afghanistan. Although the economy has improved we are still experiencing a significant interest in Veterans' Federal and State Benefit Programs. Information and assistance was provided regarding health care, educational benefits, burials, fuel assistance, and the states welcome home bonus programs. Several veterans were also provided with help in obtaining lost service records, replacement medals and notary public service when requested.

In 2015, the Veterans Service Officer became certified, a new requirement mandated by the State of Massachusetts ensuring the Veteran and Veteran's families are serviced in a uniform, knowledgeable and professional manor. This certification includes the Federal Veterans Health Benefit Programs.

This Veteran Service Office is dedicated to helping and determining if a veteran or their families are eligible for Massachusetts and Federal VA benefits in time of need in whatever way possible.

Michael T. Hickey, Veterans Service Agent

Arts Council

The Leicester Arts Council received 14 grants for the year 2016 totaling \$10,410.

We received \$5,500 from Massachusetts Cultural Council.

The Arts Council met on October 22, 2015 to discuss the grants and to see if they were complete. We do contact the person or persons responsible for the organization to correct anything incomplete. We granted \$5,825 to grants that were approved either full or partial:

- Gregory Maichack - \$475 Patels
- Leicester Middle School - \$300 Holocaust Survivor Speaker
- Michael Spencer - \$840 Latin Music, Summer Concert
- Timothy Lotus - \$100 Music
- Audio Journal - \$300
- Donna Lee - \$600

- Legendary Ladies of Country Music
- Leicester Summer Concert - \$2,500
- Rita Parisi - \$360 Victorian Valentine
- Rita Parisi - \$350 Edwardian Tea

Our voting meeting was on November 9, 2015. We did use Administration money to add to the amount of MCC to bring it to \$5,825.

Under the Leicester Arts Council is the Harvest Fair. 2016 was the 15th year of the Fair. The weather was great and people enjoyed the crafts, food, demonstrations and the festive atmosphere that brings a community together. The garden produce, food, and flower displays gave people a chance to view the labors of others. A wonderful time had by all.

Chip Leis

Bandstand Committee

Once again the Bandstand was a hub of activity. Activities taking place in 2016:

The Memorial Day Tribute was held on May 30th. On June 18th Greenville Baptist Church held its Family Fun Festival for the community featuring

wonderful food and entertainment. The Leicester Concerts on the Common, a series consisting of eight Wednesday evening family concerts in July & August were held; this was the 26th Summer Series and once again very well attended. The Series sees attendance of 300-500 people every Wednesday night. September on the Common featured the 16th Annual Harvest Fair on September 17th. Once again this old time country fair featured Crafters-Artisan Demonstrators, Food Vendors, Hay Rides, an Art & Photography show and competition. Also of interest were the agricultural exhibits, canning & baking competitions, and flower and fiber arts competitions. Also, one wedding was held at the Bandstand. It was a very busy summer and fall season.

The end of 2016 found the Bandstand decorated for the 21st time for the Christmas holiday by members of the Bandstand Committee & Leicester Summer Concert Committee. Thanks again to our Girl Scouts for providing the ornaments for the tree. The Tree was lit on December 3rd and a wonderful family evening planned by Megan Lyon Bouchard & Harry Brooks ensued. There was caroling & music led by student members of the High School music dept., a special reading of "The Night Before Christmas" and of course the arrival of Santa who also joined in the festivities. Following the outside activities, there was a free Christmas Concert by the 50+ voice Christian Community

Choir at the First Congregational Church on the Common and a carol sing at the 1st Unitarian Church, also on the Common. These events were sponsored by the Leicester Summer Concert Series Committee, the Music Committee First Congregational Church and the Leicester Historical Society and Leicester Parks & Recreation.

The Bandstand was vandalized three times this year. Once, before the Memorial Day Tribute in May, a second time during the summer and again just before Christmas on the Common set-up. Each time this occurs, 25-35 bulbs are removed from the railings and smashed on the deck of the Bandstand. Unfortunately that means our volunteer Bandstand Committee & Summer Concert Series Committee has to clean up the mess and replace the bulbs. The Bandstand was a gift by the people of Leicester to the Town and is a source of pride. Please, if you see vandalism at the Bandstand notify the Leicester Police Department immediately. They are aware of the problem.

The Town Administrator has been notified that the Bandstand is in need of a paint job & money will need to be appropriated for that. The annual budget for the Bandstand is only \$255.00.

The Bandstand committee serves as a rules and scheduling committee for the Bandstand and Town Common only, and meets on an as needed basis.

Burncoat Park Sports Planning Committee

The Burncoat Park Sports Planning Committee has met a few times in the past year and is committed to making improvements to Burncoat Park that could result in improved facilities and allow for an increase in active recreation at the Park. The Committee is working to establish an agreement with an organization that is willing to put private funds into the improvements. What has been done so far is: the softball field and around the fence has been mowed, the brush along the roadway into the park area has been

cut back and drainage has been upgraded, the parking area has been cleared, a large amount of loam has been hauled in to upgrade the ball field and the Leicester Snowmobile Club has installed a new bridge over the stream to prevent water from flooding the ball field area.

It has been our intention to have private fundraising activities promoted by the local sports community. The Town of Leicester plans to continue the use of existing playing fields, and

add new playing fields. The Park is used for both conservation and active recreation.

We wish to thank the group members and the following organizations for their assistance and hard work: The Leicester Highway Department, The Leicester Snowmobile Club, Double Play

Sports Fitness, Hurley Fencing Co. and all the individuals who have donated their time for the youth of this town. Our goal is to have a soft ball field that is playable in 2017 and to establish funding for new fields to be built.

Chair of the BPSPC.

Historical Commission

In the past year, the Historical Commission has been engaged in a few projects.

First, as reported last year, the town did vote to build a new fire station along Paxton Street which included the purchase of the house located on the corner of Paxton & Main Streets, most commonly called the Swan Tavern. Since last report, the town has taken possession of the house and currently plans to use the house as the temporary location of the Leicester Public Library.

As the house is one of the most iconic historical properties in town and is listed on the National Historic Register, the commission will work to influence care & caution in its use as the temporary library.

The number of people interested in keeping the property for use as a museum has noticeably increased and the commission hopes to work on this as there are many town owned historical artifacts in storage. Additionally, many of the larger historical artifacts will not be returning to the display in the public library upon the completion of that project. As yet, no plans for the property exist past its use as the library, but since the future of this house is vital to the character of the National Historic District, the commission will continue to be involved with its future in the coming few years.

The above mentioned addition to the Leicester Public Library was a project that the commission was allowed to comment on and the integrity of the original library building will be preserved in expansion plans.

The annual historical walking tour of the center area was conducted at the September Harvest Fair celebration on the Common. Although the commission had hoped to hold one in Manville in October, scheduling conflicts prevented that from occurring. Hopefully, that will be made available to the public in October 2017.

Since the town seal was corrected last year, the town has begun slowly replacing the incorrect 1722 seal with the correct 1713 seal. As new equipment, etc, has been purchased requiring a town seal, it has been replaced. This includes the official stamp in the town clerk's office, the majority of town letterhead/stationary, several historical signs in town and the patch on police department vehicles. We will work to make sure this replacement process occurs over time.

The commission was invited to participate in two events in the past year by the Central Massachusetts Regional Planning Commission (CMRCP). The first was discussion of a program on identifying mill buildings for economic redevelopment. Unfortunately, the selection process was already complete and Leicester was unable to have any of its mill properties in this program. The second was a meeting regarding the importance of historic preservation, with a discussion about the positive influence of historic preservation on economic development. The LHC will have discussions in the coming year about the possibilities of such programs in town.

Lastly, the Boston Post Road Mile marker #54 (commonly referred to as a Ben Franklin Mile Marker) which was in storage in the library was placed on the town common just east of the center walkway. The Massachusetts Historical

Commission on behalf of the Department of Transportation (the owners of all the markers), had undertaken a statewide project under which all surviving markers that were no longer located

along the original Boston Post Road, were restored and placed back as close to their original location as possible.

Leicester Library Building Committee

2016 was an eventful year for the Library Building Committee. While the project has been in the planning stages for many years, and the Massachusetts State Library Construction Grant was awarded in 2011, we were approved for funding for FY16.

The Building Committee as completed both Schematic Design and Design Development.

The \$2 million anonymous donation has been received, along with the first of the five MBLC grant payments. Small fundraising events were held throughout the year, and will continue until the process is complete.

Arrangements were made to use 1 Paxton Street as a temporary location, with construction currently scheduled to begin 4/1/17. Plans are underway to move about 25% of the library's circulating collection to the

temporary space, and place the remaining items in storage during the construction process. This is scheduled for January, 2017.

Suzanne Hall, Library Director

Leicester Public Library

The six-member, elected Board of Trustees remain as last year: Donald Cherry, Sr., Chairman; Ernestine Cherry, Treasurer; Pauline Lareau, Secretary; and members Judith Bergin, Paul Ravina and Olney White. The Board of Trustees and the Library Director meet monthly, on the third Tuesday evening of each month, throughout the year to ensure that the library operations run smoothly. The public are invited to attend.

Library hours remain the same, Tuesday and Thursdays from 9:30a.m. – 8:00p.m., Wednesdays and Fridays from 9:30 a.m. – 5:00 p.m., and Saturdays (excluding summer months) from 10:00 a.m. – 2:00 p.m.

In FY16, the Leicester Public Library circulated 39,203 items, a slight increase over the previous year. 12,624 inter-library loans were processed, this being both items loaned to patrons of other libraries and items borrowed for Leicester patrons from other libraries. Approximately 90 people per week used library computers. 4,327 Leicester residents have a current Library card, and the Library has 38,859 physical items in its collection. The average value of items circulated each month is \$40,000.

Programming at the library continues to be limited due to reduced staff hours, lack of program space, budget, parking and handicapped accessibility. Pre-School Story

Time held weekly, with the exception of summer and winter holidays. Books and Blankies, a program for babies and toddlers in its third year, continues to be well attended. Outside presenters included local authors, henna, and a pastel painting workshop. We also had programs for February and April Vacation weeks. Including Summer Reading events, there were a total of 99 programs, with 1,149 people attending.

The staff remains the same as last year: Suzanne Hall, Library Director; Pat Grady, Assistant Director; Donna Johnson, Cataloger; Kathleen Cherry, Children's Services and Nancy Lamb, Library Technician.

Volunteers continue to be a great asset. In 2016, we had a total of 5 regular volunteers who donated a total of 495 hours of service. We would like to recognize Lori Buckley and Joyce Montague for both their years and depth of service. On a sad note, Teresa Cantara (1922-2016) died this year. She had volunteered every Wednesday for over 10 years. She donated hundreds of hours per year, and her sparkling personality and knowledge of Leicester history will be greatly missed.

We are also grateful for the ongoing support of the Friends of the Library. Their two main fundraisers of the past year, the Annual Book Sale in October and a Cookie Sale in December have become welcome traditions. The Friends' financial support of the Library greatly enhances the programs and materials offered at the Library. Their financial support offers special

events and items not included in the municipal budget. We are grateful for all of the Friends for their support of time, money and advocacy, and we would like to particularly recognize Liz Brown and Liz Williamson in their roles as President and Treasurer, respectively.

The Local History Museum has seen some changes this year. In preparation for our upcoming renovation project, the Historical Society has removed their items that were stored in the Trustee's room and attic, and the Historical Commission has removed the hose reel and pumper truck that were on display. Three noteworthy additions to the collection were received in 2016: A portrait of Col. Thomas Denny was donated by Ann and Denny Hoag, descendants of the Denny family. The marble Copeland Library sign was given by the Arts Council, and a painted metal sign about Peter Salem was transferred from the Memorial School to make way for their library renovation. All museum items were packed for storage in December, but will be back on display in the renovated library in 2018.

Renovation plans continue, and are detailed in the Library Building Committee Report.

Respectfully Submitted on behalf of the Board of Library Trustees,

Donald A. Cherry, Sr.
Chairman

Parks and Recreation Committee

The Parks and Recreation Committee had a wonderful year! During the past year we had a vacancy on the Board open up due to the resignation of Cynthia Garabedian. We appreciate all her hard work and she will be sorely missed. We filled this vacancy with a new member, Brad Dufries, who will bring great talents to the Board. In addition, the Leicester

School Facility Manager, Mr. James Souza, regularly attends our meetings and has been a great asset. We also have liaisons from both the Board of Selectmen's office and the School Committee who periodically attend our meetings.

We held our annual Paw Sox Baseball game bus trip in July. It was a very special trip this year as

we honored and remembered Officer Ronald Tarentino. Officer Tarentino's family joined us, with all members sporting a purple Team Tarentino t-shirt. Officer Tarentino's wife and sons threw out the first pitch. In addition to this tribute, the Committee commissioned the installation of a police car spring rider at Community Field with a dedication to be held this upcoming spring in Officer Tarentino's name.

The tennis and basketball seasons were a great success as each program develops and grows. The new volleyball court at Rochdale Park was also used weekly by a volleyball team group during the summer. A new handball court was erected at Towtaid Park. In September at the Harvest Fair, the Committee sold delicious sandwiches of steak and cheese, onions and peppers. The money raised from this will be used for various programs. In December, our annual Children's Christmas Party was held at the Leicester Senior Center with about 70 families greeting Santa and enjoying hot dogs, pizza and special prizes. High School senior, Brandon Clay, provided entertainment.

The Board helped the Christmas Town Common Committee with their tree lighting festivities, Santa arrival and caroling, held on December 3rd. The Common was full of families who enjoyed themselves immensely.

Becker College continues to develop and improve Rochdale Park for their baseball team in our ongoing lease agreement with the College. Due to these improvements, all baseball teams, including Leicester High School, Leicester Little League and the Cherry Valley American Legion teams, all benefit from the work and improvements Becker College has made.

A plan is underway to light the basketball and tennis courts at the Middle School. This is a group effort and preliminary plans have been reviewed. Hopefully, this will come to fruition during the upcoming year.

The Board continues to update the Town website and their Facebook page to keep the local community up to date on activities or programs offered in Town. We have asked the Town in the past for new ideas and/or suggestions for programs or activities, but response was limited and involvement low.

Town Clerk

"It is the service we are not obliged to give that people value most."

Often considered the core of local government, the Town Clerk's Office serves as information central for local residents and citizens at large.

It is the mission of the Office of the Town Clerk to be a primary provider of information and quality services to the community and to work cooperatively and in coordination with the varied departments and groups while performing a myriad of tasks to achieve established goals and comply with State and Local Statutes.

The Town Clerk's Office keeps official Town records, contracts, issues various licenses,

permits, registrations and certificates, maintains and records vital records, and administers the Open Meeting Law and Ethics Law in regards to meetings of all town boards and committees.

The Town Clerk's Office administers the Electoral and Town Meeting processes consistent with the Town By-laws and State and Federal Law, and in doing so, works in cooperation with Town officials, local Representatives and Office of the Attorney General, the Secretary of the Commonwealth, DOR Division of Local Services and the Department of Public Health also other duties pertaining to the functions of the Town Clerk

in accordance with the provisions of more than 73 Chapters and 451 Sections of the Massachusetts General Laws. She is the Chief Election Official, Member of the Board of Registrars. She is a member of the Worcester County Town Clerk's Association and the Massachusetts Town Clerk's Association. The Town Clerk attends continuing education classes throughout the year through the WCTC's Association and the MA Clerk's Association.

The Office strives to provide public information in a courteous and timely manner and is committed to providing exceptional customer service.

Records found in this office are:

Birth, Marriage and Death Certificates; Zoning Decisions; Town Meeting Records; Annual Town Reports and Special Reports to Town Meeting; records of elections and lists of those who served the Town of Leicester in elective and appointive office.

The Town Clerk's office welcomes inquiries from citizens seeking assistance/information in relation to services provided by the Town of

Leicester. The staff will assist in redirecting your question to the appropriate department. The office issues a number of licenses: Marriage licenses, Dog licenses, Business certificates (D/B/A), and Raffle permits.

The Town Clerk maintains records of amendments to the Town Bylaw, and Zoning Bylaw and references to accepted State Statutes. This office accepts the required postings for all public meetings and maintains the public meeting calendar.

The Town Clerk conducts the Annual Census and maintains the voter lists. The department conducts all Federal, State and Local Elections. The office responds efficiently, accurately and speedily to all requests by Town Officials, Boards and members of the general public.

The Town Clerk is elected for a three year term and receives a salary voted by town meeting.

Office Hours Monday, Wednesday and Thursday 8:00am until 5pm; Tuesday 8:00am until 7:00pm; closed on Friday. If you need assistance during non-working hours, please call the office.

2005	95	42	92

*As of printing deadline

Board of Registrars

Elections held during the year were as follows:

- March 1st, Presidential Primary. (this was the first use of our new voting machines)
- June 14th, Annual Town Election. Voters in the Town elected candidates to the following positions: 1 Selectman, 1 Moderator, 1 Assessor, 2 School Committee, 1 Board of Health, 1 Planning Board, 2 Library Trustees, & 1 Moose Hill Water Commission.
- Sept 8th, State Primary Elections.
- Nov 8th, Presidential and State election

Town Meetings were as follows:

- The Annual Town Meeting and a Special Town Meeting were held on May 3rd. A second Special Town Meeting was held on Nov. 1st.
- The voting machines were tested prior to each of the above meetings and elections.
- The Board of Registrars held meetings on: Jan 26th, Feb 23rd, April 26th, June 7th, June 29th, Aug. 23rd, Sept. 8th, Oct. 27th, Nov. 1st, Nov. 18th, and Dec. 6th during 2016.

The issues dealt with during the Registrars meetings were:

- This year saw two new registrars join the board. They are Republican Michael Curtis and Democrat Maureen Connery. Both were put forward by their respective Town Committees and subsequently approved by the Board OF Selectmen. Mike Curtis joined us in January replacing our long time member Mary Ring who decided to retire. Maureen Connery in September replacing Linda Rowden who passed away in August after 20 years of service to the Town of Leicester. They will both be missed.
- We put our new voting machines to use for the first time with the March Primaries. The previous machines had to be replaced because they could no longer be supported or maintained. There were a few minor initial problems which have been resolved. After the initial use we decided to purchase optional integral ballot boxes that provide better organization of the ballots after processing. The procedures for testing the machines, preparation to process ballots,

counting ballots, & closing the poles are in place and documented so as to provide consistency of their use. The size and shape of these machines is such that we are now able to store them in a smaller and more convenient area. We, along with many other users of these machines, have requested the company to increase the font size for the printed reports. The reports are very difficult to read not only because of the font size, also the tapes print to light. While the marking of the ballots is different than with the previous machines there was little problem for the voters to adapt to the change. The voters were very understanding and did an excellent job.

- We hired a new company Mass Mailers to process the census because the company we had been using went out of business. We have been quite satisfied with their work so far.
- We had our first experience with early voting. It's hard to say if it had any significant impact on the number of people voting, but it certainly did create more work. It also certainly provided more convenience for the voters. We expect it's here to stay so we will be reviewing how we might set up in the future for greater convenience to the voter while there was a lot of additional work it was well arranged and went smoothly.

The Registrars would like to express their sincere appreciation to all the Town Departments, Election Workers, Volunteers, Friends and Family who help throughout the year.

SPECIAL TOWN MEETING GUIDE

January 26, 2016

Article 1 To see if the Town will vote to appropriate a sum of money for renovating and improving the Leicester Town Hall, located at 3 Washburn Square, including reconstructing, remodeling, and/or repairing the building to remove architectural barriers, improving handicap accessibility, equipping and furnishing and including any other costs incidental or related thereto; to determine whether this appropriation shall be raised by transfer of funds, borrowing or otherwise; or to take any other action relative thereto.

PROPOSED MOTION

I move the Town vote to appropriate \$297,057.13 for renovating and improving the Leicester Town Hall, located at 3 Washburn Square, including reconstructing, remodeling, and/or repairing the building to remove architectural barriers, improving handicap accessibility, equipping and furnishing and including any other costs incidental or related thereto; that to meet this appropriation the Town shall transfer unspent amount appropriated under the following articles:

\$5,280 from Article #4 of the October 2012 Special Town Meeting;
 \$2,576.93 from Article #12 of the May 2014 Annual Town Meeting;
 \$5,000.20 from Article 5 of the May 2015 Special Town Meeting;
 \$8,250 from Article #4 of the November 2014 Special Town Meeting;
 \$3,850 from Article #23 of the May 2008 Annual Town Meeting; and
 \$12,000 from Article 9 of the May 2015 Special Town Meeting,

and the Treasurer with the approval of the Board of Selectmen is authorized to borrow \$260,100 under c.44, §7(3) and/or §7(3A) of the General Laws or any other enabling authority; that the Town Administrator with the approval of the Board of Selectmen is authorized to contract for and expend any federal or state aid available for the project, which shall be expended in addition to the amount appropriated by this vote; and that the Board of Selectmen is authorized to take any other action necessary to carry out this project; provided, however, that this vote shall not take effect until the Town receives \$350,000 from a Community Development Block Grant or any other source of available funding.

FINANCE ADVISORY COMMITTEE RECOMMENDATION

The Finance Advisory Board recommends approval of this article.

DESCRIPTION

This article requests funding for the construction of an elevator and handicap accessible bathroom at the Town Hall.

In 2009 the Town developed a plan to identify and address areas of the Town Hall that were not in compliance with the American's with Disabilities Act (ADA). The ADA plan identifies significant deficiencies, known as architectural access barriers. The primary barriers are found at the building entrances, the travel routes between the various floors of the buildings, the travel routes between the various sections of the buildings and with the restrooms. Most of the building's exterior ramps are not ADA compliant.

Since the adoption of the ADA plan, the Town has worked diligently to address the barriers. Most recently the Town received a grant which paid to design solutions to bring

the building into compliance with the ADA. This project will fund the construction of the two main solutions that were designed. First, an elevator would be installed within the west side of the building adjacent to the current main entrance. This elevator would access all three levels of the building. Second, a unisex handicapped accessible restroom will be installed on the second (top) floor.

The total cost of the project is estimated to cost \$647,050. The Town has prepared a Community Development Block Grant (CDGB) Application, which if approved, would fund \$350,000 of the project cost. The remaining balance of roughly \$290,050 would be funded through a loan of \$260,100 and by transferring \$36,957.14 from other projects that have been completed. The borrowing would only occur if the CDBG application is approved. This borrowing would not be done through a debt exclusion and therefore it will not directly impact the tax rate. Additional financial information for this project is detailed below.

The completion of this project will also enable the School Administration offices to be relocated from the building on Main Street to the second floor of the Town Hall.

- Article 2** **To see if the Town will confirm the School Committee to serve as a School Building Committee or otherwise appoint a new School Building Committee for purposes of contracting and administering the reconstruction of the Leicester High School roof including the authority to enter into Project Funding Agreements with the School Building Assistance Board for the Commonwealth or take any action thereon.**

PROPOSED MOTION

I move that the Town appoint and confirm the Leicester School Committee to serve as a School Building Committee for purposes of contracting and administering the reconstruction of the Leicester High School roof including the authority to enter into project funding agreements with the School Building Assistance Board for the Commonwealth.

FINANCE ADVISORY COMMITTEE RECOMMENDATION

The Finance Advisory Board does not recommend approval of this article. The Board voted to not confirm the School Committee to serve as the School Building Committee and believes the Town would be well served having a separate building committee with some members knowledgeable in construction/roofing.

DESCRIPTION

At the October 2015 Special Town Meeting, Article 5 passed which funded the replacement of the High School roof. In addition, this article authorized "the School Building Committee" to have authority over the expenditures for the project based on language provided by the Massachusetts School Building Authority (MSBA), the agency providing grant funding for the project. Since this time, the Town has received further clarification from the MSBA that the accelerated repair program which is to provide grant funding for this project does not require a School Building Committee be created to oversee the project. As the project will have an Owner's Project Manager appointed by the State to oversee the construction of the new roof, this article would designate the School Committee to oversee project expenditures instead of a School Building Committee. The School Committee would have the authority to delegate this authority to a duly authorized committee.

- Article 3** **To see if the Town will authorize the Board of Selectmen to acquire by purchase, gift or by eminent domain for all municipal purposes the premises at 3 Paxton Street currently owned by Becker College containing 83,300 square feet of land more or less on the westerly side of said Paxton Street more particularly bounded and described on a plan of land Recorded in the Worcester District Registry Of Deeds plan book 808 plan 64 and for such acquisition the Board of Selectmen is authorized to pay a sum of money previously raised and appropriated at the September 15, 2015 special town meeting or to grant parking easements on the real estate owned by the town at Washburn Square or to give to the college limited rights of 1st refusal on the real estate owned by the town at Washburn Square or any combination of the foregoing as the Board of Selectmen deems in the best interest of the town and all upon such terms and conditions as the Board of Selectmen deems best or take any action thereon.**

PROPOSED MOTION

I move that the town authorize to the Board of Selectmen, in addition to the authorities granted by the September 15, 2015 Special Town Meeting, to acquire by purchase or by eminent domain for all municipal purposes the premises at 3 Paxton Street currently

owned by Becker College containing 83,300 square feet of land more or less on the westerly side of said Paxton Street more particularly bounded and described on a plan of land Recorded in the Worcester District Registry Of Deeds plan book 808 plan 64 and for such acquisition the Board of Selectmen is authorized to pay the sum of \$66,000 money previously raised and appropriated at the September 15, 2015 special town meeting or, as further consideration, to grant parking easements on the real estate owned by the town at Washburn Square or to give to the college limited rights of 1st refusal on the real estate owned by the town at Washburn Square or any combination of the foregoing as the Board of Selectmen deems in the best interest of the town and all upon such further terms and conditions as the Board of Selectmen deems best.

FINANCE ADVISORY COMMITTEE RECOMMENDATION

The Finance Advisory Board does not recommend approval of this article. The Board would request more specific ideas and cost analysis prior to approval.

DESCRIPTION

The approval of Article 2 at the September 2015 Special Town authorized the Town to accept the deed for 3 Paxton Street from Becker College in exchange for granting the right of first refusal for the Town Hall and Middle School. Since that time negotiations have continued with Becker College. The College's Executive Board was unwilling to support the agreement that the College's Administrative staff negotiated with the Town. The Executive Board is the body with the final authority to dispose of land owned by the College.

Negotiations have progressed and a revised verbal agreement has been struck with the College's Administrative Staff. The Administrative Staff have reported that the Executive Board has agreed to the terms of this latest agreement. This revised agreement would provide the College with expanded parking rights at the Town Hall through a non-exclusive parking easement for 10 years. Such an easement must be approved by Town Meeting.

As a last resort, this article authorizes taking 3 Paxton Street by eminent domain. The Town has negotiated with Becker College in good faith for this piece of property since December 2014. At the initial meeting to discuss the property, Becker College offered the Town the land on the single condition that the Town Grant the College the right of first refusal for the Town Hall. Given the Executive Board's reluctance to sign off on the agreement despite the Town providing additional consideration at the College's request, and the investment that the Town has made in developing the property, this authority would only be used if it's truly needed to protect the Town's interest in this site.

SPECIAL TOWN MEETING REPORT January 26, 2016

The following is a report of the Minutes of the Special Town Meeting held at the Leicester Town Hall, Washburn Square on Tuesday, January 26, 2016. The Moderator, Donald A. Cherry, Jr., opened the meeting at 7:01 pm with 56 voters present stating the Town Clerk has informed me that a quorum is present; the meeting will come to order. If you are not a registered voter, or not a resident of Leicester, please take a seat to my left, behind the press table. Non-resident department heads and those of you under the age of 18 are welcome on the floor.

I would ask you to stand and join me in The Pledge of Allegiance. Please remain standing at the conclusion of the pledge. Please join me in observing a moment of silence to commemorate the service and sacrifice of our armed forces who defend our liberties and freedoms, and the members of our emergency management services who work to keep us safe here at home.

Dianna Provencher moved that the Town vote to dispense with the reading of the warrant, which is in the hands of the voters. VOTED UNANIMOUSLY

Dianna Provencher moved that the Town vote to dispense with a hand count by tellers on motions requiring a two-thirds vote, except when the vote or the method of voting is challenged, or when in the opinion of the Moderator, a hand count is necessary to establish a quantum of vote, or when the vote involves the potential to borrow money. VOTED BY A SIGNIFICANT MAJORITY

Article 1. Dianna Provencher moved the Town vote to appropriate \$297,057.13 for renovating and improving the Leicester Town Hall, located at 3 Washburn Square, including reconstructing, remodeling, and/or repairing the building to remove architectural barriers, improving handicap accessibility, equipping and furnishing and including any other costs incidental or related thereto; that to meet this appropriation the Town shall transfer unspent amount appropriated under the following articles:

\$5,280 from Article #4 of the October 2012 Special Town Meeting;
\$2,576.93 from Article #12 of the May 2014 Annual Town Meeting;
\$5,000.20 from Article 5 of the May 2015 Special Town Meeting;
\$8,250 from Article #4 of the November 2014 Special Town Meeting;
\$3,850 from Article #23 of the May 2008 Annual Town Meeting; and
\$12,000 from Article # 9 of the May 2015 Special Town Meeting,

and the Treasurer with the approval of the Board of Selectmen is authorized to borrow \$260,100 under c.44, §7(3) and/or §7(3A) of the General Laws or any other enabling authority; that the Town Administrator with the approval of the Board of Selectmen is authorized to contract for and expend any federal or state aid available for the project, which shall be expended in addition to the amount appropriated by this vote; and that the Board of Selectmen is authorized to take any other action necessary to carry out this project; provided, however, that this vote shall not take effect until the Town receives \$350,000 from a Community Development Block Grant or any other source of available funding. VOTED BY A SIGNIFICANT MAJORITY

Article 2. Sandra M. Wilson moved that the Town appoint and confirm the Leicester School Committee to serve as a School Building Committee for purposes of contracting and administering the reconstruction of the Leicester High School roof including the authority to enter into project funding agreements with the School Building Assistance Board for the Commonwealth. VOTED BY A SIGNIFICANT MAJORITY

Article 3. Thomas E. Buckley III moved that the town Passover Article 3 pertaining to acquiring by purchase or by eminent domain for all municipal purposes the premises at 3 Paxton Street currently owned by Becker College. VOTED BY A SIGNIFICANT MAJORITY

Dianna Provencher moved that the Town vote to adjourn the Special Town Meeting at 7:42 pm with 91 voters present. VOTED UNANIMOUSLY

**SPECIAL TOWN MEETING GUIDE
MAY 3, 2016**

ARTICLE 1 To see if the Town will vote to transfer from available funds such sums of money as may be necessary to fund various and diverse accounts in the Fiscal Year 2016 operating budget of the Town, per a list in the hands of the voters, or take any action thereon.

PROPOSED MOTION

I move the Town vote to transfer \$340.06 from Free Cash in order to pay bills from prior fiscal years as follows:

- \$112.56 to NFP for the Treasurer/Collector's Office
- \$70.00 to Ford Hometown Services for the Council on Aging
- \$157.50 to Christine Gallant for the Treasurer/Collector's Office

FINANCE ADVISORY COMMITTEE RECOMMENDATION

The Finance Advisory Board recommends approval of this article.

DESCRIPTION

State law regulates the timeframe under which bills can be paid by a municipality. If invoices are presented to the Town Accountant after July 15th for the prior fiscal year ending June 30th, then the bills must be held and approved by Town Meeting. Bills may be late for various reasons including delays on the part of the vendor or Town staff.

Details on the prior year bills currently under consideration:

\$112.56 to NFP for the Treasurer/Collector's Office for employee benefit administration. This bill was received after the July 15th deadline.

\$70.00 to Ford Hometown Services for the Council on Aging for pest control. This bill was received after the July 15th deadline.

\$157.50 reimbursement to Christine Gallant for a life insurance payroll deduction error. This deduction was discovered after the July 15th deadline.

ARTICLE 2 To see if the town will vote to transfer from available funds such sums of money as may be necessary to fund various and diverse accounts in the Fiscal Year 2016 operating budget of the Town, per a list in the hands of the voters, or take any action thereon.

PROPOSED MOTION

I move the Town vote to transfer \$151,917 from the Employee Benefits Department to the following:

Department	Amount
Board of Selectmen	\$2,303
Town Accountant	\$5,750
IT	\$2,050
Police Department	\$5,000
Highway Department	\$2,000
Veterans Services	\$4,500
Maturing Debt Principal	\$130,314

FINANCE ADVISORY COMMITTEE RECOMMENDATION

The Finance Advisory Board recommends approval of this article.

DESCRIPTION

This article would amend the Fiscal Year 2016 (current) operating budget by moving funding from the Employee Benefits Department budget, which has excess funding due to cost savings measures taken, to seven (7) departments which require additional funding for expenses not anticipated when the budget was developed. The \$151,917 represents 0.59% of the total operating budget. A summary of the additional expenses are as follows:

Board of Selectmen – Travel and training expenses

Town Accountant – Personnel costs

IT – Town Hall cable and wiring upgrades

Police Department – Contractual personnel costs

Highway Department – Recycling center expenses

Veterans Services – Veterans benefits costs

Maturing Debt Principal – Pay off short term borrowing for Radio Upgrade Project

ARTICLE 3 To see if the Town will vote to transfer from available funds a sum of money to balance the Fiscal Year 2016 Snow & Ice Budget, or take any action thereon.

PROPOSED MOTION

I move the Town vote to transfer \$48,002 from Free Cash to the Snow & Ice department.

FINANCE ADVISORY COMMITTEE RECOMMENDATION

The Finance Advisory Board recommends approval of this article.

DESCRIPTION

Due to the late season winter storms, the cost of snow and ice removal exceeds the original budget by \$48,002. This article would fund the account deficit.

ARTICLE 4 To see if the Town will vote to transfer from available funds a sum of money to fund the third annual installment of the lease/purchase agreement for the 2012 Spartan Fire Engine, or take any action thereon.

PROPOSED MOTION

I move the Town vote to transfer \$72,400 from Free Cash to fund the third annual installment of the lease/purchase agreement for the 2012 Spartan Fire Engine.

FINANCE ADVISORY COMMITTEE RECOMMENDATION

The Finance Advisory Board recommends approval of this article.

DESCRIPTION

The May 2014 Special Town Meeting authorized the Board of Selectmen to enter into a five-year lease purchase agreement for a fire engine. \$72,400 from Free Cash is being requested to make the third year payment on this vehicle.

ARTICLE 5 To see if the Town will vote to authorize the Board of Selectmen to transfer a sum of money from the Insurance Receipts Reserve Account to fund the cost of repairs to the Primary School Facade, or take any action thereon.

PROPOSED MOTION

I move the Town vote to authorize the Board of Selectmen to expend \$50,000 from the Insurance Receipts Reserve Account to fund the cost of repairs to the Primary School façade.

FINANCE ADVISORY COMMITTEE RECOMMENDATION

The Finance Advisory Board recommends approval of this article.

DESCRIPTION

Due to the extreme weather in the winter of 2014/2015 a portion of the brick façade on the rear exterior of the Primary School was damaged. The Town's insurer has provided \$50,000 in proceeds to repair the façade. Massachusetts General Laws Chapter 44 Section 53 requires that Town Meeting vote to appropriate funds received in an insurance settlement in excess of \$19,999.99.

ARTICLE 6

To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money to fund a vegetation management study and/or expenses related to managing vegetation growth in Town-owned bodies of water, or take any action thereon.

PROPOSED MOTION

I move the Town vote to transfer \$6,000 from Free Cash to fund a vegetation management study and/or expenses related to managing vegetation growth in Town-owned bodies of water.

FINANCE ADVISORY COMMITTEE RECOMMENDATION

The Finance Advisory Board recommends approval of this article.

DESCRIPTION

Invasive vegetation has taken a toll on water systems associated with Greenville Pond and other town owned bodies of water leading to the areas becoming over vegetated and stagnant. Funds would be used to obtain consulting advice on how to best manage the vegetation and to take action to remove it as appropriate to the extent permitted by the funding.

ARTICLE 7

To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money to fund the Radio Upgrade Project in lieu of the borrowing authorized in Article 22 of the May 1, 2012 Annual Town Meeting, or taken any action thereon.

PROPOSED MOTION

I move the Town pass over this article.

FINANCE ADVISORY COMMITTEE RECOMMENDATION

No recommendation due to the understanding that this article will be passed over.

**SPECIAL TOWN MEETING REPORT
MAY 3, 2016**

The following is a report of the Minutes of the Special Town Meeting held at the Leicester Town Hall, Washburn Square on Tuesday, May 3, 2016. The Moderator, Donald A. Cherry, Jr., opened the meeting at 7:14 pm with 102 voters present.

ARTICLE 1. Dianna Provencher moved that the Town vote to transfer \$340.06 from Free Cash in order to pay bills from prior fiscal years as follows:

- \$112.56 to NFP for the Treasurer/Collector's Office
- \$70.00 to Ford Hometown Services for the Council on Aging
- \$157.50 to Christine Gallant for the Treasurer/Collector's Office

VOTED UNANIMOUSLY

Article 2. Douglas Belanger moved that the Town vote to transfer \$151,917 from the Employee Benefits Department to the following:

Department	Amount
Board of Selectmen	\$2,303
Town Accountant	\$5,750
IT	\$2,050
Police Department	\$5,000
Highway Department	\$2,000
Veterans Services	\$4,500
Maturing Debt Principal	\$130,314

VOTED UNANIMOUSLY

Article 3. Harry R. Brooks moved that the Town vote to transfer \$48,002 from Free Cash to the Snow & Ice department. VOTED UNANIMOUSLY

Article 4. Thomas E. Buckley III moved that the Town vote to transfer \$72,400 from Free Cash to fund the third annual installment of the lease/purchase agreement for the 2012 Spartan Fire Engine. VOTED UNANIMOUSLY

Article 5. Sandra Wilson moved that the Town vote to authorize the Board of Selectmen to expend \$50,000 from the Insurance Receipts Reserve Account to fund the cost of repairs to the Primary School façade. VOTED UNANIMOUSLY

Article 6. Dianna Provencher moved that the Town vote to transfer \$6,000 from Free Cash to fund a vegetation management study and/or expenses related to managing vegetation growth in Town-owned bodies of water. VOTED UNANIMOUSLY

Article 7. Thomas E. Buckley III moved that the Town pass over this article regarding money to fund the Radio Upgrade Project. VOTED UNANIMOUSLY

Dianna Provencher moved that the Town dissolve the Special Town Meeting.

VOTED UNANIMOUSLY Meeting adjourned at 7:35 pm with 103 voters present.

**ANNUAL TOWN MEETING GUIDE
MAY 3, 2016**

ARTICLE 1 To hear the reports of the Town Officials and Committees and to act thereon.

PROPOSED MOTION

I move the Town vote to hear the reports of the Town Officials and Committees and to take no further action.

FINANCE ADVISORY COMMITTEE RECOMMENDATION

The Finance Advisory Board recommends approval of this article.

DESCRIPTION

Pursuant to the Town's Bylaws, Chapter 8, Section 2, all officers, boards, standing committees and special committees of the Town having charge of the expenditures of Town money shall annually report thereon in writing in such manner as to give the citizens a fair and full understanding of the objects and methods of such expenditures. Such reports shall be submitted to the Selectmen for inclusion in the Annual Town Report, which is provided to the public at Town Meeting. Pursuant to the General Bylaws, Chapter 2, Section 21, committees failing to report at the Annual Meeting shall automatically be discharged. Any Board or Committee that not submit a report for inclusion in the 2015 Annual Town Report will be given the opportunity provide a verbal report at the Annual Town Meeting.

ARTICLE 2 To see if the Town will vote to authorize the Treasurer, with the approval of the Selectmen, to borrow money in anticipation of revenue and/or reimbursement and to issue notes of the Town payable thereof in accordance with applicable law, or take any action thereon.

PROPOSED MOTION

I move the Town vote to authorize the Treasurer, with the approval of the Selectmen, to borrow money in anticipation of revenue and/or reimbursement and to issue notes of the Town payable thereof in accordance with applicable law.

FINANCE ADVISORY COMMITTEE RECOMMENDATION

The Finance Advisory Board recommends approval of this article.

DESCRIPTION

The Treasurer's authority to borrow funds and issue notes requires Annual Town Meeting approval. This is a standing authorization requested annually which gives the Town the flexibility to borrow funds when it is in the best interest of the Town because there will be revenues received to repay the borrowing. This authority is rarely used but is critical in the event that a borrowing would be necessary to continue normal Town operations.

ARTICLE 3 To see if the Town will vote to authorize and empower the Board of Selectmen to sell or dispose of accumulated used or junk property of the Town, or take any action thereon.

PROPOSED MOTION

I move the Town vote to authorize and empower the Board of Selectmen to sell or dispose of accumulated used or junk property of the Town.

FINANCE ADVISORY COMMITTEE RECOMMENDATION

The Finance Advisory Board recommends approval of this article.

DESCRIPTION

Town meeting has ultimate authority over the property of the Town. This article delegates that authority to the Board of Selectmen for used and/or broken items. This provides the Town with a practical means of disposing of items of nominal value. The Board of Selectmen has a written policy regarding the sale and disposal of items which cannot be used by other Town departments.

ARTICLE 4

To see if the Town will vote to accept a sum of money as State Aid to Libraries and apply such sums to the State Aid to Library grant account, or take any action thereon.

PROPOSED MOTION

I move the Town vote to accept a sum of money as State Aid to Libraries and apply such sums to the State Aid to Library grant account.

FINANCE ADVISORY COMMITTEE RECOMMENDATION

The Finance Advisory Board recommends approval of this article.

DESCRIPTION

The Town anticipates receiving approximately \$15,710 in State Libraries Aid to be used in FY'17. The State Aid to Public Libraries program helps develop, coordinate, improve and promote library services throughout the Commonwealth.

ARTICLE 5

To see if the Town will vote to reauthorize revolving accounts detailed in the hands of the voters, defined by Mass General Laws, Chapter 44, Section 53E½, for Fiscal Year 2017, or take any action thereon.

PROPOSED MOTION

I move the Town vote to reauthorize revolving accounts as detailed in the hands of the voters and as defined by Mass General Laws, Chapter 44, Section 53E½, for Fiscal Year 2017.

<u>Board/Department/Officer Authorized to expend:</u>	<u>Revenue Source:</u>	<u>Funds may be expended only for:</u>	<u>Spending Limit:</u>
Code Inspection Department	Inspection & Permit Fees	Inspectional Services	\$50,000
Board of Health	Health clinic fees	Health clinics	\$5,000
Council on Aging	Senior Center program fees	Program services	\$10,000
Highway Department	Fuel usage by depts. and districts	Fuel usage program	\$35,000
Town Administrator	Hillcrest CC maintenance fees	Hillcrest CC maintenance	\$10,000
Code Inspection Dept	Town Hall rental & maint. fees	Town Hall maint., program	\$15,000
Board of Selectmen	Recycling fees	Recycling programs	\$30,000
Police Department	Police training fees	Police training programs	\$5,000
Parks and Recreation	Recreation Fees	Rec programs, maint., and upkeep of fields & facilities	\$20,000

FINANCE ADVISORY COMMITTEE RECOMMENDATION

The Finance Advisory Board recommends approval of this article.

DESCRIPTION

The Town's nine (9) revolving accounts require annual authorization by Town Meeting. Revolving accounts are established to receive funds raised by charging fees for services and can only be expended by the entity for the specific purposes authorized at Town Meeting.

ARTICLE 6

To see if the Town will vote to establish and authorize a School Department revolving account entitled One-to-One Technology, pursuant to Massachusetts General Laws Chapter 44, Section 53E½ for the purposes of receiving payments for the One-to-One Technology program and to be used with the authorization of the Superintendent of Schools to pay expenses related to the repair and replacement of One-to-One Technology Program related items, with an annual spending limit of Twenty Five Thousand dollars (\$25,000) or any other sum, or to take any other action relative thereto.

PROPOSED MOTION

I move the Town vote to establish and authorize a School Department revolving account entitled One-to-One Technology, pursuant to Massachusetts General Laws Chapter 44, Section 53E½ for the purposes of receiving payments for the One-to-One Technology program and to be used with the authorization of the Superintendent of Schools to pay expenses related to the repair and replacement of One-to-One Technology Program related items including the cost of insurance for the devices, with an annual spending limit of Twenty Five Thousand dollars (\$25,000).

FINANCE ADVISORY COMMITTEE RECOMMENDATION

The Finance Advisory Board recommends approval of this article.

DESCRIPTION

Revolving accounts are established to receive funds raised by charging fees for services and can only be expended by the entity for the specific purposes authorized at Town Meeting. This article is for a new revolving account for the School Department that will enable the department to manage a new initiative that will provide all students in grades 9 -12 with a device for their use during the school year. A technology fee will be assessed to all students and deposited into the revolving account. The Superintendent will be authorized to expend those funds for the repair and replacement of the devices and related equipment including appropriate insurance policies for the devices.

ARTICLE 7

To see if the Town will vote to accept Massachusetts General Laws Chapter 60, Section 15B, which allows the Town to establish by vote a tax title collection revolving fund for the Treasurer/Collector, or take any other action relative thereto.

PROPOSED MOTION

I move the Town vote to accept Massachusetts General Laws Chapter 60, Section 15B, to allow the Town to establish by vote a tax title collection revolving fund for the Treasurer/Collector and that in accordance with this statute the town establish a "Tax Title Collection Revolving Fund" for the fiscal year beginning July 1, 2016+; said fund shall receive and disburse without further appropriation all fees, charges and cost incurred by the office of the Treasurer – Collector under General Laws ch. 60 sections 15, 55, 62, 65, 68 or 69 and further collected upon the redemption of tax titles and sales of real property acquired through foreclosures of tax titles. The Treasurer – Collector shall be authorized to expend from said fund without further appropriation the sum of \$25,000 within any fiscal year for the purposes of said fund and shall

report on the balances and activities in said fund to the Board of Selectmen and the Town Administrator semiannually or more frequently as requested by the Town Administrator. Any unexpended balances in said fund at the end of any fiscal year in excess of \$25,000 shall be turned over to the General Fund in accordance with General Laws ch. 44 sections 53.

FINANCE ADVISORY COMMITTEE RECOMMENDATION

The Finance Advisory Board recommends approval of this article.

DESCRIPTION

Tax Title revolving accounts under MGL Chapter 60 Section 15B are established to receive funds equal to statutory charges, costs and fees added to the tax by the Treasurer/Collector upon the redemption of a tax title. This includes charges for issuing demand, legal fees, advertising fees, recording fees, and others. The intent of establishing this account is to reduce the impact of the cost of administering the tax title program on the taxpayers.

ARTICLE 8

To see if the Town will vote to appropriate such sums of money as may be received from the Commonwealth of Massachusetts for highway construction and related purposes for the fiscal year commencing July 1, 2016, said funds to be used under the direction of the Highway Superintendent on such projects as may, from time to time, be designated by the Board of Selectmen, or take any action thereon.

PROPOSED MOTION

I move the Town vote to appropriate such sums of money as may be received from the Commonwealth of Massachusetts for highway construction and related purposes for the fiscal year commencing July 1, 2016, said funds to be used under the direction of the Highway Superintendent on such projects as may, from time to time, be designated by the Board of Selectmen.

FINANCE ADVISORY COMMITTEE RECOMMENDATION

The Finance Advisory Board recommends approval of this article.

DESCRIPTION

State Chapter 90 funding is used for highway capital improvement projects including construction, preservation and improvement projects that create or extend the life of capital facilities. The Town anticipates receiving \$435,911 in State Chapter 90 funds for FY'17.

ARTICLE 9

To see what compensation the Town will vote to pay elected officials, or take any action thereon.

PROPOSED MOTION

I move the Town vote to set the rate of compensation to pay elected officials for fiscal year 2017 as detailed in the hands of the voters.

Fiscal Year 2017 ELECTED OFFICIALS PAY RATES	
<u>POSITION</u>	<u>PAY RATE</u>
TOWN CLERK	\$51,590
SELECTMEN - CHAIRMAN	\$882
SELECTMEN - MEMBERS (4) each	\$724
SCHOOL COMMITTEE - CHAIRMAN	\$447

SCHOOL COMMITTEE - MEMBERS (4) each	\$197
PLANNING BOARD - CHAIRMAN	\$320
PLANNING BOARD - MEMBERS (4) each	\$276
MODERATOR	\$81
BOARD OF HEALTH - CHAIRMAN	\$320
BOARD OF HEALTH - MEMBERS (2) each	\$276
ASSESSOR - MEMBERS (3) each	\$577

FINANCE ADVISORY COMMITTEE RECOMMENDATION

The Finance Advisory Board recommends approval of this article.

DESCRIPTION

Compensation for elected officials is set by Town Meeting. The proposed 2017 elected officials pay rate is the same as approved by the voters for fiscal year 2016 with the exception of the Town Clerk.

ARTICLE 10

To see if the Town will vote to raise and appropriate and/or transfer from available funds a sum of money as may be necessary to defray the expenses of Town departments and Town accounts for the Fiscal Year beginning July 1, 2016, per a list at the Town Clerk's office and in the hands of the voters, or take any action thereon.

PROPOSED MOTION

I move the Town vote to approve the budgets of the several Town departments and Town Accounts as printed and in the hands of the voters for the Fiscal Year beginning July 1, 2016, in the aggregate amount of \$26,608,824 and to fund this amount from the following sources:

<i>Transfer from Ambulance Receipts Reserved Account:</i>	<i>\$240,000</i>
<i>Transfer from Board of Health Title V Reserve Account Principal:</i>	<i>\$ 19,944</i>
<i>Transfer from Dog Fund Receipts Reserved Account:</i>	<i>\$ 30,000</i>
<i>Transfer from Conservation Commission NOI Account:</i>	<i>\$ 3,521</i>
<i>Transfer from Assessors' Overlay Surplus:</i>	<i>\$20,000</i>
<i>Transfer from Free Cash:</i>	<i>\$42,500</i>

And the balance of the funds in the remaining sum of \$26,252,859 shall be raised and appropriated by taxation.

FINANCE ADVISORY COMMITTEE RECOMMENDATION

The Finance Advisory Board recommends approval of this article.

DESCRIPTION

This is the fiscal year 2017 annual operating budget for municipal and school services. Property tax proposed to be levied is within the allowances of Proposition 2 ½. Although the State FY'17 budget is not set, we are utilizing the Governor's proposed revenue estimates for local aid. This financial plan meets at least the minimum needs of every department and continues to move the Town forward in a sustainable direction. The budget process has been challenging this year due to a number of significant increase in non-discretion areas of the budget including health insurance. The FY'17 budget is 2.79% greater than the FY'16 budget.

DEPT #	DEPARTMENT NAME	FY2016 BUDGET	FY2017 DEPT REQ	FY2017 TOWN ADMIN	\$ CHANGE	% CHANGE

ARTICLE 11 To see if the Town will vote to raise and appropriate and/or transfer from available funds a sum of money as may be necessary to fund the Vocational Tuition expenses for Leicester students for the fiscal year beginning July 1, 2016, or take any action thereon.

PROPOSED MOTION

I move the Town vote to raise and appropriate \$900,000 for Vocational Tuition expenses for the Fiscal Year beginning July 1, 2016.

FINANCE ADVISORY COMMITTEE RECOMMENDATION

The Finance Advisory Board recommends approval of this article.

DESCRIPTION

Chapter 74 of the Mass General Laws governs vocational technical education programs in public school districts. This article was moved out of the line item budget and into a separate warrant article starting in FY'16. Tracking these costs independently allows for more accurate accounting of the costs associated with Leicester students attending other schools for vocational education.

ARTICLE 12 To see if the Town will vote to raise and appropriate and/or transfer from available funds a sum of money to fund the FY'17 assessment from the Central Mass Regional Planning Commission, said assessment to be based on a per capita rate, or take any other action thereon.

PROPOSED MOTION

I move the Town vote to raise and appropriate from taxation the sum of \$2,919 to fund the FY'17 assessment from the Central Mass Regional Planning Commission, said assessment to be based on a per capita rate of \$0.26593.

FINANCE ADVISORY COMMITTEE RECOMMENDATION

The Finance Advisory Board recommends approval of this article.

DESCRIPTION

In accordance with Chapter 40B, Section 7 of the Mass General Laws, the Central Mass Regional Planning Commission requires member municipalities to pay the costs and expenses of the Central Massachusetts Regional Planning District each fiscal year. Leicester is a part of this District. The assessment is based on the population of the Town as it appears in the most

recent national census (2010). The payment of this assessment will maintain the Town's services provided by the District.

ARTICLE 13 To see if the Town will vote to raise and appropriate and/or transfer from available funds a sum of money for deposit into the General Stabilization Account, or take any action thereon.

PROPOSED MOTION

I move the Town vote to transfer \$35,000 from Free Cash to General Stabilization Account.

FINANCE ADVISORY COMMITTEE RECOMMENDATION

The Finance Advisory Board recommends approval of this article. This addition to the stabilization account continues to enhance Leicester's ability to borrow with a positive bond rating. Our goal is to bring the value of this account to equal 5% of our revenues.

DESCRIPTION

A stabilization fund is a mechanism for setting aside money for unforeseen circumstances. This fund is sometimes referred to as a "rainy day" fund. The Town's stabilization fund has a current balance of \$627,005. Bond rating agencies look favorably upon towns with stabilization accounts totaling 5% of annual revenues when determining interest rates for lending. The current balance is 2.2% of the FY'17 projected revenues.

ARTICLE 14 To see if the Town will vote to raise and appropriate and/or transfer from available funds a sum of money to fund the Fiscal Year 2017 Capital Improvement Plan budget, or take any action thereon.

PROPOSED MOTION

I move the Town vote transfer \$138,522 from Free Cash to fund the Fiscal Year 2017 Capital Improvement Plan budget as detailed in the hands of the voters.

DEPARTMENT	ITEM	AMOUNT
EMS	Ambulance Lease/Purchase Payment Year 3 of 5	34,742
EMS	Three CPR Compression Devices	40,330
Highway	Replace Highway Foreman Truck	39,000
Police	Replace Unmarked Cruiser L-8	24,450

FINANCE ADVISORY COMMITTEE RECOMMENDATION

The Finance Advisory Board recommends approval of this article.

DESCRIPTION

The recommended Capital Improvement Plan for Fiscal Year 2017 includes four (4) items totaling \$138,522. The Capital Improvement Planning Committee received 15 requests from departments totaling over \$600,000 in requested funding. The Committee rated and ranked these requests and forwarded their recommendation to the Board of Selectmen. The Board of Selectmen voted to support the recommendation of the CIPC.

- ARTICLE 15** To see if the Town will vote to raise and appropriate and/or transfer from available funds a sum of money to be expended by the Board of Selectmen to fund the Town's stormwater management obligations, or take any action thereon.

PROPOSED MOTION

I move the Town transfer \$12,000 from Free Cash to fund the Town's storm water management obligations, said funds to be expended by the Board of Selectmen

FINANCE ADVISORY COMMITTEE RECOMMENDATION

The Finance Advisory Board recommends approval of this article.

DESCRIPTION

The Town is obligated to meet requirements set forth in its US EPA Municipal Separate Storm Sewer System (MS4) permit issued in 2003. These tasks include but are not limited to illicit discharge detection and elimination, mapping the system and its outfalls and providing public education on storm water. The Town is a part of a regional consortium of over 28 municipalities that helps reduce the costs of storm water management for the residents of Leicester. The requested funding will cover the cost of the required tasks in FY'17.

- ARTICLE 16** To see if the Town will vote to raise and appropriate and/or transfer from available funds a sum of money to purchase and equip two (2) police vehicles, or take any action thereon.

PROPOSED MOTION

I move the Town vote to transfer \$78,000 from Free Cash to purchase and equip two (2) police vehicles.

FINANCE ADVISORY COMMITTEE RECOMMENDATION

The Finance Advisory Board recommends approval of this article.

DESCRIPTION

The Police Department utilizes a fleet of ten (10) vehicles to meet the law enforcement needs of the residents of Leicester. This fleet of vehicles includes five (5) frontline marked police cruisers that are used on a daily basis. Funding is being requested to replace the two oldest marked frontline cruisers which are nearing or at 100,000 miles. The Town has been following a fleet replacement schedule that includes the replacement of one to two cruisers annually to ensure the full use and reliability of the fleet.

- ARTICLE 17** To see if the Town will vote to raise and appropriate and/or transfer from available funds a sum of money to deposit into the Other Post Employment Benefit (OPEB) Trust, or take any action thereon.

PROPOSED MOTION

I move the Town vote to transfer \$35,000 from Free Cash to deposit into the Other Post Employment Benefit (OPEB) Trust Fund.

FINANCE ADVISORY COMMITTEE RECOMMENDATION

The Finance Advisory Board recommends approval of this article. This motion allows us to begin funding liabilities promised to town retirees. We will be ahead of many communities in the state, with a goal of funding a portion of our liability this promise annually

DESCRIPTION

Other Post-Employment Benefits are benefits that an employer pays to an employee once they retire. Like most public sector employers, the Town of Leicester provides matching funds towards the health insurance premiums of eligible retirees. In recent years financial oversight entities including bond rating agencies and the Governmental Account Standards Board have required municipalities to perform an actuarial analysis to project the future cost of the benefits that are being offered. Further they have encouraged municipalities to begin setting funding aside to ensure they are able to make these payments in the future.

The most recent actuarial analysis performed for the Town estimates that they Town's current OPEB liability is \$23.8 million when projected 18 years into the future. By starting to fund this projected obligation now, the Town will be reducing its projected funding requirement. The funds that are being set aside in the trust will only be able to be used to pay for retiree health insurance contributions. These funds will be reflected on the Town's financial balance sheet as an asset that will help offset the liability.

ARTICLE 18

To see if the Town will vote to grant to the Commonwealth of Massachusetts Department of Transportation the perpetual right and easement to maintain and construct a roadway, sidewalk and related structures together with the right to access the same on land of the Town of Leicester on the easterly side of Paxton Street, commonly known as the Leicester Town Common, on terms acceptable to the Board of Selectmen, or take any action thereon.

PROPOSED MOTION

I move the Town vote to grant to the Commonwealth of Massachusetts Department of Transportation the perpetual right and easement to maintain and construct a roadway, sidewalk and related structures together with the right to access the same on land of the Town of Leicester on the easterly side of Paxton Street, commonly known as the Leicester Town Common, on terms acceptable to the Board of Selectmen.

FINANCE ADVISORY COMMITTEE RECOMMENDATION

The Finance Advisory Board has tabled this article until a legal opinion has been rendered.

DESCRIPTION

The Town has been working with the Massachusetts Department of Transportation to secure State and Federal Transportation funding to resurface Paxton Street from Main Street to Hyland Avenue. One aspect of this project includes the reconfiguration of the east side of the intersection of Paxton Street and Main Street. To enable this aspect of the project the Town may have to provide an easement to the Department of Transportation. The proposed roadway layout will square off the east side of the intersection. No land will be taken away from the Common.

ARTICLE 19 To authorize the Board of Selectmen to acquire the following land parcels and or rights in land parcels for the purpose of obtaining a secure and public right of way. This will allow for the construction and roadway safety improvements of Paxton Street from Main Street to Hyland Avenue including but not limited to seven (7) permanent easements totaling +/- 1,720 square feet of land and twenty seven (27) temporary easements totaling +/- 14,504 square feet of land; further that the Selectmen may acquire these parcels, or modification of these parcels or other required parcels through all legal means, including donations, purchase or eminent domain; the subject parcels are currently identified on plans drafted by CHA dated February 2016 titled *Plan and Profile of Paxton Street (Route 56) in the City/Town of Leicester, Worcester County, Preliminary Right of Way*; and further to raise and appropriate or transfer from available funds a sum of money to defray any associated right of way expenses connected with this project, or take any action thereon.

PROPOSED MOTION

I move the Town vote to authorize the Board of Selectmen to acquire by gift, purchase, eminent domain or otherwise, all public way easements and rights in the land including drainage easements, utility easements, construction easements and sidewalk easements (both permanent and temporary) necessary for the laying out, construction, maintenance, replacement and repair of Paxton Street from its intersection with Main Street to its intersection with Hyland Avenue all as set forth in a set of plans drawn by the Massachusetts Department of Transportation, Highway Division, entitled "Plan and Profile of Paxton Street (Route 56) in the Town of Leicester, Worcester County, Preliminary Right-Of-Way" February 2016 and any future amendments or revisions to said plans now on file and posted in the office of the Town Clerk and to cover the cost of such land acquisition, the Board of Selectmen is authorized to expend from all available ch. 90 Highway funds such monies necessary to cover the cost of appraisals, legal fees, recording fees, land damages and such other necessary and incidental fees and costs as may be incurred in the process of acquiring and laying out the foregoing easements and further that the Board of Selectmen is authorized to enter into any federal and state project agreements relating to the layout, construction and repair of Paxton Street as it extends from Main Street through Hyland Avenue and to expend all federal and state funds available for the Paxton Street project and to take any other action necessary to carry out the Paxton Street project.

FINANCE ADVISORY COMMITTEE RECOMMENDATION

The Finance Advisory Board recommends approval of this article.

DESCRIPTION

The Town has been working with the Massachusetts Department of Transportation to secure State and Federal Transportation funding to resurface Paxton Street from Main Street to Hyland Avenue. To enable this project the Town will need to acquire several permanent and temporary easements. Town Meeting is the entity with the authority that must vote to allow negotiations for the easements. The vast majority of the easements (27 out of 34) are temporary. This means that the Town would acquire the easements for up to three years to ensure that we can access all the sidewalks and roadway edges and are permitted to walk and do minimal work on private properties. The seven permanent easements are needed for storm water draining and utility pole relocations. Once authorized, Town officials will work directly with landowners that may be impacted.

- ARTICLE 20** To see if the Town will grant to the Massachusetts Port Authority the perpetual right and easement to maintain and construct underground dry utilities together with the right to access the same on land of the Town of Leicester under Mulberry and Earle Streets as specified on detailed in plans on file at the Office of the Town Clerk and in the hands of the voters, or take any action thereon.

PROPOSED MOTION

I move the Town vote to grant to the Massachusetts Port Authority the perpetual right and easement under terms acceptable to the Board of Selectmen to maintain and construct underground dry utilities together with the right to access the same on land of the Town of Leicester under Mulberry and Earle Streets as specified on detailed in plans on file at the Office of the Town Clerk and in the hands of the voters.

FINANCE ADVISORY COMMITTEE RECOMMENDATION

The Finance Advisory Board recommends approval of this article.

DESCRIPTION

The owner of the Worcester Regional Airport, the Massachusetts Port Authority, has requested a perpetual utility easement under Mulberry and Earle Streets. This easement will provide space to run utility lines for the landing system upgrades at the airport.

- ARTICLE 21** To see if the Town will vote to raise and appropriate and/or transfer from available funds a sum of money to fund groundwater and other studies at the former landfill site, said funds to be expended by the Board of Selectmen, or take any action thereon.

PROPOSED MOTION

I move the Town vote to transfer \$23,000 from Free Cash to fund groundwater and other studies at the former landfill site, said funds to be expended by the Board of Selectmen.

FINANCE ADVISORY COMMITTEE RECOMMENDATION

The Finance Advisory Board recommends approval of this article.

DESCRIPTION

The Town is obligated to comply the Massachusetts Department of Environmental Protection's annual monitoring and testing requirements for the closed landfill. These tasks require routine sampling of groundwater from a series of wells, any required follow up or additional testing based upon the findings and routine readings of landfill gases being produced. The \$23,000 being requested will fund these required activities in Fiscal Year 2017.

- ARTICLE 22** To see if the Town will vote to change the Zoning Map by re-zoning all properties directly abutting the south side of Route 9/Main Street between Auburn Street and Church Street (Leicester Assessors Map 23D, parcels B1, B2.1, B2, B3, B4, B5, B6, B7, B8, B9, B10, B11 and B12) currently zoned Residential 2 (R2) to Business (B) per the document on file at the Office of the Town Clerk and as detailed in the hands of the voters or take any action thereon.

PROPOSED MOTION

I move the Town vote to change the Zoning Map by re-zoning all properties directly abutting the south side of Route 9/Main Street between Auburn Street and Church Street (Leicester

Assessors Map 23D, parcels B1, B2.1, B2, B3, B4, B5, B6, B7, B8, B9, B10, B11 and B12) currently zoned Residential 2 (R2) to Business (B) per the document on file at the Office of the Town Clerk and as detailed in the hands of the voters.

FINANCE ADVISORY COMMITTEE RECOMMENDATION

The Finance Advisory Board recommends approval of this article.

DESCRIPTION

This amendment to the Leicester Zoning Map would change the zoning of all properties directly abutting the south side of Route 9/Main Street between Auburn Street and Church Street from Residential 2 (R2) to Business (B). Maps showing the affected parcels are on file in the Town Clerk's office and will be included in the Planning Board's written report that will be available at Town Meeting.

ARTICLE 23

To see if the Town will amend Section 1.3 (Definitions), Section 3.2.03.18 (Schedule of Use: Medical Marijuana Treatment Center), and Section 5.15 (Medical Marijuana Treatment Centers), to modify regulation of Medical Marijuana Treatment Centers (also known as Registered Marijuana Dispensaries) including a proposed reduction of required buffers/setbacks (from residential zoning districts, schools, religious uses, child care facilities, parks, playgrounds, drug or alcohol rehabilitation facilities, or other Medical Marijuana Treatment centers) for facilities that don't allow on-site sales of medical marijuana, per the document on file at the Office of the Town Clerk and as detailed in the hands of the voters, or take any action thereon.

PROPOSED MOTION

I move the Town vote to amend Section 1.3 (Definitions), Section 3.2.03.18 (Schedule of Use: Medical Marijuana Treatment Center), and Section 5.15 (Medical Marijuana Treatment Centers), to modify regulation of Medical Marijuana Treatment Centers (also known as Registered Marijuana Dispensaries) including a proposed reduction of required buffers/setbacks (from residential zoning districts, schools, religious uses, child care facilities, parks, playgrounds, drug or alcohol rehabilitation facilities, or other Medical Marijuana Treatment centers) for facilities that don't allow on-site sales of medical marijuana, per the document on file at the Office of the Town Clerk and as detailed in the hands of the voters.

FINANCE ADVISORY COMMITTEE RECOMMENDATION

The Finance Advisory Board recommends approval of this article.

DESCRIPTION

The proposed Zoning Bylaw amendments would change the buffer requirements for certain Medical Marijuana Treatment Centers (also known as Registered Marijuana Dispensaries). Currently, no Medical Marijuana Treatment Center may be located within 1,000 feet of a residential zoning district, school, church or other religious use, child care facility, family child care home, park, playground, drug or alcohol rehabilitation facility, or other Medical Marijuana Treatment center. For medical marijuana cultivation and processing facilities with no on-site sales, the proposed amendment would reduce the buffer to 200 feet from residential zoning districts and 500 feet for the remaining uses listed above. The buffer

for Medical Marijuana Treatment Centers with on-site sales (dispensaries) would remain at 1,000 feet.

ARTICLE 24 To see if the Town will vote to amend the General Bylaws Chapter 2, Section 17 regarding secret ballot votes at Town Meetings per the Citizens' Petition submitted to the Town Clerk October 28, 2015 on file in the Office of the Town Clerk and as detailed in the hands of the voters, or take any action thereon.

PROPOSED MOTION

I move the Town vote to amend the General Bylaws Chapter 2, Section 17 regarding secret ballot votes at Town Meetings per the Citizens' Petition submitted to the Town Clerk October 28, 2015 on file in the Office of the Town Clerk and as detailed in the hands of the voters.

FINANCE ADVISORY COMMITTEE RECOMMENDATION

The Finance Advisory Board recommends approval of this article.

DESCRIPTION

Citizen petitions are legislation proposed by a required number of registered voters. This proposed legislation seeks to set the number at seven (7) Town Meeting member votes required for an article to be voted on by secret ballot. A secret ballot is a form of voting that maintains anonymity for individual's casting votes. The standard form of voting at a Leicester Town Meeting is a show of hands.

ARTICLE 25 To see if the Town will vote to amend the General Bylaws, Leicester Dog Control Bylaw Regulations, Chapter 9, Section 23, per the document on file at the Office of the Town Clerk and as detailed in the hands of the voters, or take any action thereon.

PROPOSED MOTION

I move the Town vote amend the General Bylaws, Leicester Dog Control Bylaw Regulations, Chapter 9, Section 23, and accept MGL Chapter 140, Section 139(c) per the document on file at the Office of the Town Clerk and as detailed in the hands of the voters.

FINANCE ADVISORY COMMITTEE RECOMMENDATION

The Finance Advisory Board recommends approval of this article.

DESCRIPTION

This article would replace the General Bylaws Chapter 9, Section 23 entitled the Leicester Dog Control Bylaw Regulations with the attached and amended Animal Control Bylaw. The purpose of this amendment is to bring the Town's bylaw into conformance with changes in State regulations under Chapter 193 of the Legislative Acts of 2012.

The amended bylaw also proposes accepting the optional Chapter 140, Section 139(c) provision which would allow any person over the age of seventy (70) to be exempt from the annual license fee for one (1) dog per year.

ARTICLE 26 To see if the Town will vote to amend Chapter 1 of the General Bylaws by creating a new section entitled Comprehensive Bylaw Review per the document on file in the Office of the Town Clerk and as detailed in the hands of the voters, or take any action thereon.

PROPOSED MOTION

I move the Town vote amend Chapter 1 of the General Bylaws by creating a new section entitled Comprehensive Bylaw Review per the document on file in the Office of the Town Clerk and as detailed in the hands of the voters

FINANCE ADVISORY COMMITTEE RECOMMENDATION

The Finance Advisory Board recommends approval of this article.

DESCRIPTION

This article would add a section to the General Bylaws that would require a comprehensive review of all the Town's Bylaws every five years. The goal of the article is to help ensure the proper organization of the Bylaws and to have a group that takes a step back to see if any bylaws are no longer needed or if the Town is missing bylaws that would benefit citizens and/or operations.

The Proposed Language is as follows:

Comprehensive By-Law Review - The board of selectmen shall at five (5) year intervals, in each year ending in a six, or in a one, cause to be prepared by a special committee appointed for that purpose, a proposed revision or re-codification of all general by-laws of the town which shall be presented to the town meeting for reenactment at the Annual town meeting in the year following the year in which it is appointed. The said committee shall consist of two persons appointed by the Board of Selectmen, one person by the Town Moderator, one person by the planning board, and one person by the Bylaw Committee. Persons appointed by the said agencies may, but need not, be members of the agency by which they are designated. The said committee in its final or in an interim report shall include recommendations for such substantiate change in town by-laws as it deems necessary or advisable. The review of town by-laws shall be in conjunction with the standing by-law committee town counsel, or if the board of selectmen so direct by special counsel retained for that purpose. Subsequent to enactment by the town meeting, copies of the revised by-laws shall be forwarded to the attorney general of the commonwealth for approval, and they shall be otherwise published all as required by general laws. Copies of the revised by-laws shall be made available for distribution to the public.

ARTICLE 27

To see if the Town will vote to establish a Veterans Municipal Service Program by accepting Massachusetts General Laws Chapter 59, Section 5N for eligible veterans to earn property tax abatements by working for the Town, said program to be administered under the direction of the Board of Assessors, or take any action thereon.

PROPOSED MOTION

I move the Town vote to establish a Veterans Municipal Service Program by accepting Massachusetts General Laws Chapter 59, Section 5N for eligible veterans to earn property tax abatements by working for the Town, said program to be administered under the direction of the Board of Assessors.

FINANCE ADVISORY COMMITTEE RECOMMENDATION

The Finance Advisory Board recommends approval of this article.

DESCRIPTION

This article would establish a program for income-eligible veterans to earn up to \$1,000 off their annual real estate bills by working for the Town. The Town current has a similar program for income-eligible residents over the age of 60. A limited number of positions would be available.

ARTICLE 28

To see if the Town will vote to authorize the Board of Selectmen to sell, convey, release or other dispose of any interests in a portion of property located off of Lehigh Road in Leicester and identified by the Town Assessor's Map 39 Lot A7, and that such disposition to be on such other terms and conditions the Board of Selectmen deem appropriate, which may include the reservation of easements and restrictions, or take any action thereon.

PROPOSED MOTION

I move the Town vote to authorize the Board of Selectmen to sell, convey, release or otherwise dispose of any interests in a portion of property located off of Lehigh Road in Leicester and identified by the Town Assessor's Map 39 Lot A7, and that such disposition to be on such terms and conditions the Board of Selectmen deem appropriate, which may include the reservation of easements and restrictions.

FINANCE ADVISORY COMMITTEE RECOMMENDATION

The Finance Advisory Board recommends approval of this article.

DESCRIPTION

The Hillcrest Water District owns and operates a water tower on Town-owned land located off of Lehigh Road. This article would give authorization to the Board of Selectmen to sell 15,000 square feet of land under and around the water tank to the Hillcrest Water District.

ANNUAL TOWN MEETING REPORT**MAY 3, 2016**

The following is a report of the Minutes of the Annual Town Meeting held at the Leicester Town Hall, Washburn Square on Tuesday, May 3, 2016. The Moderator, Donald A. Cherry, Jr., opened the meeting at 7:14 pm with 103 voters present stating the Town Clerk has informed me that a quorum is present; the meeting will come to order.

The Moderator asked that everyone stand and Pledge Allegiance to our flag.

He then asked that everyone please remain standing so that we observe a moment of silence to commemorate the service and sacrifice of our armed forces who defend our liberties and freedoms, and the members of our emergency management services who work to keep us safe in our communities.

At this point, it is appropriate for us to mark the passing of Marwood Rand, who served our town in several roles over 30 years. I have been told Mr. Rand was considered one of the finest moderators state wide. Please join me in a moment of silence in appreciation of Mr. Rand as a person and a loyal citizen.

I am pleased to introduce Leicester High School's two student representatives to the Board of Selectmen. Jamie Lyn Souza and Robert Kemp were selected to represent the school at all Selectmen's meeting, and I am told deserve special recognition for simply sitting through those meetings. It's great to see young people taking an active role and interest in our government.

There is an item of note which bears mention this evening. Tonight is Sandy Wilson's last Town Meeting as a member of the Board of Selectmen. Service as a member of the Board of Selectmen is a very big commitment in time and energy. Mrs. Wilson, on behalf of the town, please let me extend out thanks for your time and efforts.

Town Administrator Kevin Mizikar gave his Annual State of the Town Address.

Dianna Provencher moved that the Town vote to dispense with the reading of the warrant, which is in the hands of the voters. VOTED UNANIMOUSLY

Dianna Provencher moved that the Town vote to dispense with a hand count by tellers on motions requiring a two-thirds vote, except when the vote or the method of voting is challenged, or when in the opinion of the Moderator, a hand count is necessary to establish a quantum of vote, or when the vote involves the potential to borrow money. VOTED UNANIMOUSLY

Dianna Provencher moved that the Town vote to recess the Annual Town Meeting and open the Special Town Meeting. VOTED UNANIMOUSLY

Dianna Provencher moved that the Town reconvene the Annual Town Meeting at 7:36 pm. VOTED UNANIMOUSLY

Article 1. Sandra M. Wilson moved that the Town hear the reports of the Town Officials and Committees and to take no further action.

Article 2. Harry R. Brooks moved that the Town vote to authorize the Treasurer, with the approval of the Selectmen, to borrow money in anticipation of revenue and/or reimbursement and to issue notes of the Town payable thereof in accordance with applicable law. VOTED UNANIMOUSLY

Article 3. Thomas E. Buckley III moved that the Town vote to authorize and empower the Board of Selectmen to sell or dispose of accumulated used or junk property of the Town. VOTED UNANIMOUSLY

Article 4. Douglas Belanger moved that the Town will vote to accept a sum of money as State Aid to Libraries and apply such sums to the State Aid to Library grant account. VOTED UNANIMOUSLY

Article 5. Dianna Provencher moved that the Town vote to reauthorize revolving accounts as detailed in the hands of the voters and as defined by Mass General Laws, Chapter 44, Section 53E½, for Fiscal Year 2017.

<u>Board/Department/Officer</u>	<u>Revenue Source:</u>	<u>Funds may be expended only for:</u>	<u>Spending Limit:</u>
Code Inspection Department	Inspection & Permit Fees	Inspectional Services	\$50,000
Board of Health	Health clinic fees	Health clinics	\$5,000
Council on Aging	Senior Center program fees	Program services	\$10,000
Highway Department	Fuel usage by depts. and districts	Fuel usage program	\$35,000
Town Administrator	Hillcrest CC maintenance fees	Hillcrest CC maintenance	\$10,000
Code Inspection Dept	Town Hall rental & maint. Fees	Town Hall maint. Program	\$15,000
Board of Selectmen	Recycling fees	Recycling programs	\$30,000
Police Department	Police training fees	Police training programs	\$5,000
Parks and Recreation	Recreation Fees	Rec programs, maint. facilities	\$20,000

VOTED UNANIMOUSLY

Article 6. Douglas Belanger moved that the Town vote to establish and authorize a School Department revolving account entitled One-to-One Technology, pursuant to Massachusetts General Laws Chapter 44, Section 53E½ for the purposes of receiving payments for the One-to-One Technology program and to be used with the authorization of the Superintendent of Schools to pay expenses related to the repair and replacement of One-to-One Technology Program related items including the cost of insurance for the devices, with an annual spending limit of Twenty Five Thousand dollars (\$25,000). VOTED UNANIMOUSLY

Article 7. Sandra M. Wilson moved that the Town vote to accept Massachusetts General Laws Chapter 60, Section 15B, to allow the Town to establish by vote a tax title collection revolving fund for the Treasurer/Collector and that in accordance with this statute the town establish a "Tax Title Collection Revolving Fund" for the fiscal year beginning July 1, 2016+; said fund shall receive and disburse without further appropriation all fees, charges and cost incurred by the office of the Treasurer – Collector under General Laws ch. 60 sections 15, 55, 62, 65, 68 or 69 and further collected upon the redemption of tax titles and sales of real property acquired through foreclosures of tax titles. The Treasurer – Collector shall be authorized to expend from said fund without further appropriation the sum of \$25,000 within any fiscal year for the purposes of said fund and shall report on the balances and activities in said fund to the Board of Selectmen and the Town Administrator semiannually or more frequently as requested by the Town Administrator. Any unexpended balances in said fund at the end of any fiscal year in excess of \$25,000 shall be turned over to the General Fund in accordance with General Laws ch. 44 sections 53. VOTED UNANIMOUSLY

Article 8. Harry R. Brooks moved that the Town vote to appropriate such sums of money as may be received from the Commonwealth of Massachusetts for highway construction and related purposes for the fiscal year commencing July 1, 2016, said funds to be used under the direction of the Highway Superintendent on such projects as may, from time to time, be designated by the Board of Selectmen. VOTED UNANIMOUSLY

Article 9. Thomas E. Buckley III moved that the Town vote to set the rate of compensation to pay elected officials for fiscal year 2017 as detailed in the hands of the voters.

Fiscal Year 2017 ELECTED OFFICIALS PAY RATES	
POSITION	PAY RATE
TOWN CLERK	\$51,590
SELECTMEN - CHAIRMAN	\$882
SELECTMEN - MEMBERS (4) each	\$724
SCHOOL COMMITTEE - CHAIRMAN	\$447
SCHOOL COMMITTEE - MEMBERS (4) each	\$197
PLANNING BOARD - CHAIRMAN	\$320
PLANNING BOARD - MEMBERS (4) each	\$276
MODERATOR	\$81
BOARD OF HEALTH - CHAIRMAN	\$320
BOARD OF HEALTH - MEMBERS (2) each	\$276
ASSESSOR - MEMBERS (3) each	\$577

VOTED UNANIMOUSLY

Article 10. Douglas Belanger moved that the Town vote to approve the budgets of the several Town departments and Town Accounts as printed and in the hands of the voters for the Fiscal Year beginning July 1, 2016, in the aggregate amount of \$26,608,824 and to fund this amount from the following sources:

Transfer from Ambulance Receipts Reserved Account:	\$240,000
Transfer from Board of Health Title V Reserve Account Principal:	\$19,944
Transfer from Dog Fund Receipts Reserved Account:	\$30,000
Transfer from Conservation Commission NOI Account:	\$3,521
Transfer from Assessors' Overlay Surplus:	\$20,000
Transfer from Free Cash:	\$42,500

And the balance of the funds in the remaining sum of \$26,252,859 shall be raised and appropriated by taxation. VOTED UNANIMOUSLY

Article 11. Dianna Provencher moved that the Town vote to raise and appropriate \$900,000 for Vocational Tuition expenses for the Fiscal Year beginning July 1, 2016. VOTED UNANIMOUSLY

Article 12. Sandra M. Wilson moved that the Town vote to raise and appropriate from taxation the sum of \$2919 to fund the FY'17 assessment from the Central Mass Regional Planning Commission, said assessment to be based on a per capital rate of \$0.26593. VOTED UNANIMOUSLY

Article 13. Harry Brooks moved that the Town vote to transfer \$35,000 from Free Cash to General Stabilization Account. VOTED UNANIMOUSLY (2/3 vote needed)

Article 14. Douglas A. Belanger moved that the Town vote to transfer \$138,522 from Free Cash to fund the Fiscal Year 2017 Capital Improvement Plan budget as detailed in the hands of the voters.

DEPARTMENT	ITEM	AMOUNT
EMS	Ambulance Lease/Purchase Payment Year 3 of 5	34,742
EMS	Three CPR Compression Devices	40,330

Highway	Replace Highway Foreman Truck	39,000
Police	Replace Unmarked Cruiser L-8	24,450

VOTED UNANIMOUSLY

Article 15. Thomas E. Buckley III moved that the Town transfer \$12,000 from Free Cash to fund the Town's storm water management obligations, said funds to be expended by the Board of Selectmen. VOTED UNANIMOUSLY

Article 16. Dianna Provencher moved that the Town vote to transfer \$78,000 from Free Cash to purchase and equip two (2) police vehicles. VOTED UNANIMOUSLY

Article 17. Sandra M. Wilson moved that the Town vote to transfer \$35,000 from Free Cash to deposit into the Other Post Employment Benefit (OPEB) Trust Fund. VOTED UNANIMOUSLY

Article 18. Harry R. Brooks moved that the Town Passover this article (pertaining to granting the Commonwealth of Massachusetts Department of Transportation the perpetual right and easement to land of the easterly side of Paxton Street, commonly known as the Leicester Town Common). VOTED UNANIMOUSLY

Article 19. Thomas E. Buckley III moved that the Town vote to authorize the Board of Selectmen to acquire by gift, purchase, eminent domain or otherwise, all public way easements and rights in the land including drainage easements, utility easements, construction easements and sidewalk easements (both permanent and temporary) necessary for the laying out, construction, maintenance, replacement and repair of Paxton Street from its intersection with Main Street to its intersection with Hyland Avenue all as set forth in a set of plans drawn by the Massachusetts Department of Transportation, Highway Division, entitled "Plan and Profile of Paxton Street (Route 56) in the Town of Leicester, Worcester County, Preliminary Right-Of-Way" February 2016 and any future amendments or revisions to said plans now on file and posted in the office of the Town Clerk and to cover the cost of such land acquisition, the Board of Selectmen is authorized to expend from all available ch. 90 Highway funds such monies necessary to cover the cost of appraisals, legal fees, recording fees, land damages and such other necessary and incidental fees and costs as may be incurred in the process of acquiring and laying out the foregoing easements and further that the Board of Selectmen is authorized to enter into any federal and state project agreements relating to the layout, construction and repair of Paxton Street as it extends from Main Street through Hyland Avenue and to expend all federal and state funds available for the Paxton Street project and to take any other action necessary to carry out the Paxton Street project. VOTED AFFIRMATIVELY BY A 2/3 VOTE

Article 20. Dianna Provencher I move the Town vote to grant to the Massachusetts Port Authority the perpetual right and easement under terms acceptable to the Board of Selectmen to maintain and construct underground dry utilities together with the right to access the same on land of the Town of Leicester under Mulberry and Earle Streets as specified on detailed in plans on file at the Office of the Town Clerk and in the hands of the voters. VOTED AFFIRMATIVELY BY A 2/3 VOTE

Article 21. Douglas A. Belanger moved that the Town vote to transfer \$23,000 from Free Cash to fund groundwater and other studies at the former landfill site, said funds to be expended by the Board of Selectmen. VOTED UNANIMOUSLY

Article 22. Sandra M. Wilson moved the Town vote to change the Zoning Map by re-zoning all properties directly abutting the south side of Route 9/Main Street between Auburn Street and Church Street (Leicester Assessors Map 23D, parcels B1, B2.1, B2, B3, B4, B5, B6, B7, B8, B9, B10, B11 and B12) currently zoned Residential 2 (R2) to Business (B) per the document on file at the Office of the Town Clerk and as detailed in the hands of the voters. VOTED AFFIRMATIVELY BY A 2/3 VOTE

Article 23. Harry R. Brooks moved that the Town vote to amend Section 1.3 (Definitions), Section 3.2.03.18 (Schedule of Use: Medical Marijuana Treatment Center), and Section 5.15 (Medical Marijuana Treatment Centers), to modify regulation of Medical Marijuana Treatment Centers (also known as Registered Marijuana Dispensaries) including a proposed reduction of required buffers/setbacks (from residential zoning districts, schools, religious uses, child care facilities, parks, playgrounds, drug or alcohol rehabilitation facilities, or other Medical Marijuana Treatment centers) for facilities that don't allow on-site sales of medical marijuana, per the document on file at the Office of the Town Clerk and as detailed in the hands of the voters.

After much discussion on Article 23 John McNaboe asked that the meeting move the question.
VOTED UNANIMOUSLY

The Moderator called for a vote on Article 23.
MODERATOR DECLARED THE MOTION DEFEATED (2/3 vote needed)

Article 24. Thomas E. Buckley III moved that the Town vote to amend the General Bylaws Chapter 2, Section 17 regarding secret ballot votes at Town Meetings per the Citizens' Petition submitted to the Town Clerk October 28, 2015 on file in the Office of the Town Clerk and as detailed in the hands of the voters. VOTED AFFIRMATIVELY BY A 2/3 VOTE

Article 25. Harry R. Brooks moved that the Town vote amend the General Bylaws, Leicester Dog Control Bylaw Regulations, Chapter 9, Section 23, and accept MGL Chapter 140, Section 139(c) per the document on file at the Office of the Town Clerk and as detailed in the hands of the voters. VOTED UNANIMOUSLY (2/3 vote needed)

Article 26. Douglas A. Belanger moved that the Town vote amend Chapter 1 of the General Bylaws by creating a new section entitled Comprehensive Bylaw Review per the document on file in the Office of the Town Clerk and as detailed in the hands of the voters. VOTED AFFIRMATIVELY BY A 2/3 VOTE

Article 27. Sandra M. Wilson moved that the Town vote to establish a Veterans Municipal Service Program by accepting Massachusetts General Laws Chapter 59, Section 5N for eligible veterans to earn property tax abatements by working for the Town, said program to be administered under the direction of the Board of Assessors. VOTED UNANIMOUSLY

Article 28. Dianna Provencher moved that the Town vote to authorize the Board of Selectmen to sell, convey, release or otherwise dispose of any interests in a portion of property located off of Lehigh Road in Leicester and identified by the Town Assessor's Map 39 Lot A7, and that such disposition to be on such terms and conditions the Board of Selectmen deem appropriate, which may include the reservation of easements and restrictions. VOTED UNANIMOUSLY

Dianna Provencher moved that the Town vote to adjourn the Annual Town Meeting at 9:43pm with 111 voters presents. VOTED UNANIMOUSLY

May 23, 2016

Deborah K. Davis, Town Clerk
Town of Leicester
3 Washburn Square
Leicester, MA 01524

RE: Leicester Annual Town Meeting of May 3, 2016 - Case # 7942
Warrant Article # 22 (Zoning)
Warrant Articles # 24, 25, and 26 (General)

Dear Ms. Davis:

Articles 22, 24, 25, and 26 - We approve Articles 22, 24, 25, and 26, and the map pertaining to Article 22, from the Leicester May 3, 2016, Annual Town Meeting. We will return the approved map to your by regular mail.

Note: Pursuant to G.L. c. 40, § 32, neither general nor zoning by-laws take effect unless the town has first satisfied the posting/publishing requirements of that statute. Once this statutory duty is fulfilled, (1) general by-laws and amendments take effect on the date that these posting and publishing requirements are satisfied unless a later effective date is prescribed in the by-law, and (2) zoning by-laws and amendments are deemed to have taken effect from the date they were voted by Town Meeting, unless a later effective date is prescribed in the by-law.

Very truly yours,
MAURA HEALEY
ATTORNEY GENERAL

**SPECIAL TOWN MEETING GUIDE
NOVEMBER 1, 2016**

ARTICLE 1 **To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money in order to pay bills from prior fiscal years, or take any action thereon.**

PROPOSED MOTION

I move the Town vote to raise and appropriate \$620.00 in order to pay bills from prior fiscal years as follows:

\$620.00 to the Oxford Rochdale Sewer District for the Selectmen's Office

FINANCE ADVISORY COMMITTEE RECOMMENDATION

The Finance Advisory Board recommends approval of this article.

DESCRIPTION

State law regulates the timeframe under which bills can be paid by a municipality. If invoices are presented to the Town Accountant after July 15th for the prior fiscal year ending June 30th, then the bills must be held and approved by Town Meeting. Bills may be late for various reasons including delays on the part of the vendor or Town staff.

Details on the prior year bills currently under consideration:

\$620.00 to the Oxford Rochdale Sewer District – Sewer service to Town owned property with tenants located at 6-8 Dale Court. These bills were received after the July 15th deadline.

ARTICLE 2 **To see what compensation the Town will vote to pay elected officials, or take any action thereon.**

PROPOSED MOTION

I move the Town vote to set the annual salary for the Town Clerk position at \$56,000.

FINANCE ADVISORY COMMITTEE RECOMMENDATION

The Finance Advisory Board recommends increasing the Town Clerk's salary to \$61,000.

DESCRIPTION

Compensation for elected officials is set by Town Meeting. The Town Clerk's position is the only full time elected position within the Town Government. The Town Clerk has requested Town meeting consider increasing the salary for the position from \$51,590 to \$56,000.

ARTICLE 3 **To see if the Town will vote to raise and appropriate, transfer from available funds in the Treasury or transfer from other budget accounts or adjust budgets or borrow under the provisions of Chapter 44, as amended, such sums of money as may be necessary to defray expenses and fund various and diverse accounts in the Fiscal Year 2017 operating budget of the Town, or take any action thereon.**

PROPOSED MOTION

I move the Town vote to raise and appropriate by taxation the sum of \$40,596 and adjust the following budgets to defray the expenses in the Fiscal Year 2017 operating budget of the Town:

Transfer \$1,000 from Treasurer/Collector to Board of Selectmen; and

Reduce the School Department Budget by \$26,000; and

Transfer \$25,000 from Maturing Debt Principal to Maturing Debt Interest; and

Increase Maturing Debt Interest by \$40,596; and

Reduce the Temporary Loan Interest by \$550; and

Transfer \$26,991 from Employee Benefits to the account for Fiscal Year 2017 Vocational Tuition established in Article 11 of the May 2016 Annual Town Meeting; and

Transfer \$24,500 from Employee Benefits to the account the High School Roof Replacement established in Article 5 of the October 2015 Special Town Meeting; and

Transfer \$128,195 from Ambulance Receipts Reserved Account to the Ambulance Budget to defray the costs of ambulance services; and

that Article 10 of the May 2016 Annual Town Meeting be confirmed in all other respects and that the balance of funds to be raised and appropriated by taxation needed to fund the 2016 budget be adjusted accordingly.

FINANCE ADVISORY COMMITTEE RECOMMENDATION

The Finance Advisory Board recommends approval of this article.

DESCRIPTION

This article requests Town Meeting consider making seven adjustments to the FY2017 operating budget of the Town.

- 1.) Transfer \$1,000 from Treasurer/Collector to Board of Selectmen – Given staffing changes the original budgeted amount for wages in the Treasurer/Collector's office exceeds the anticipated expenditures. \$1,000 is proposed to be transferred to the Board of Selectmen's office to cover additional wages in that offices. The additional wages are a result of increased workloads in the office.
- 2.) Reduce the School Department budget by \$26,000 – This reduction will offset the lower-than-estimated State Aid for the fiscal year. Without this adjustment the overall operating budget would be in deficit by this amount.
- 3.) Reduce the Temporary Loan Interest by \$550 – The Town has one temporary bond anticipation note with a face value of \$1.6M for the Fire and EMS Headquarters project. When the budget was developed for the current fiscal year last winter the exact amount of interest to be paid was estimated. Given the Town's favorable bond rating the interest rate on the note was less than estimated. Thus, the interest payment is less than originally budgeted.
- 4.) Increase the appropriation for Maturing Debt Interest from \$153,609 to \$219,205 by appropriating \$40,596 from taxation and transferring \$25,000 from Maturing Debt

Principal. This will cover the first interest payment, scheduled for the spring of 2017, for the General Obligation Bonds for the Fire & EMS Headquarters.

- 5.) Transfer \$26,991 from Employee Benefits to the Town's Vocational Tuition Account. This account is voted and accounted for separately from the General Operating Budget for transparency purposes. Chapter 74 of the Mass General Laws governs vocational technical education programs in public school districts. This increase is necessary because of the number of Leicester students attending vocational educational establishments.
- 6.) Transferring \$24,500 from Employee Benefits to the High School Roof Replacement Project. In October 2015 the Special Town Meeting transferred at total of \$844,658 in available funds and authorized borrowing up to an additional \$187,301.26 for the replacement of the High School Roof. These funds represent approximately 40% of the total project cost and the remaining 60% is being funded by the State. This project is nearly complete and the total cost is less than was originally estimated. However, the Town does not have enough available funds on hand for the project which would require a borrowing of \$24,500. Rather than borrow this amount and incur interest, Town Meeting is being asked to transfer this amount to the project. The original Borrowing Authorization will be rescinded upon the completion of the project and Town Meeting authorization.
- 7.) Transferring \$128,195 from the ambulance receipts reserved account to fund the FY17 budget will utilize the available revenues to offset the costs of providing EMS services to the Town. There were insufficient funds on hand at the time of the Annual Town meeting to adequately cover the cost of providing EMS services.

ARTICLE 4 **To see if the Town will vote to transfer from available funds a sum of money as may be necessary to adjust the account established for Vocational Tuition expenses for Leicester students in Article 11 of the May 2016 Annual Town Meeting the for the fiscal year beginning July 1, 2016, or take any action thereon.**

PROPOSED MOTION

I move the Town vote to transfer \$18,009 from Free Cash to the account established for Fiscal Year 2017 Vocational Tuition in Article 11 of the May 2016 Annual Town Meeting.

FINANCE ADVISORY COMMITTEE RECOMMENDATION

The Finance Advisory Board recommends approval of this article.

DESCRIPTION

In addition to funds transferred through Article 3, \$18,009 is needed to fully fund the cost of vocational education for Leicester students for FY17. FY16 was the first year that funding for vocational tuition was placed into a standalone article separate from the general operating budget for transparency purposes. Through this article Town Meeting is being ask to transfer the amount that was left over at the end of the FY16, \$18,009, to the FY17 account.

ARTICLE 5 **To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money as may be necessary to repair and/or to purchase replacement compacting equipment used at the Town Recycling Center, or take any action thereon.**

PROPOSED MOTION

I move the Town vote to raise and appropriate by taxation \$8,500 for the repair of and/or to purchase replacement compacting equipment used at the Town Recycling Center.

FINANCE ADVISORY COMMITTEE RECOMMENDATION

The Finance Advisory Board recommends approval of this article.

DESCRIPTION

Town Meeting is being asked to consider funding the repair of one compactor and replacing another compactor at the Leicester Recycling Center as follows:

- Repair failed cylinder in Compactor #1: \$3,000
- Replace Compactor #2 which is beyond repair with a used, warrantied compactor: \$5,500

The Leicester recycling center is staffed 100% by volunteers and covers its annual operating costs and most of its repair and improvement costs through revenues generated from annual recycling sticker fees.

ARTICLE 6

To see if the Town will vote to authorize the Board of Selectmen to enter into Tax Agreements, pursuant to Mass General Laws Chapter 59, Section 38H, with the lessees/operators of solar photovoltaic energy generating facilities or its successors/assigns, for a period of up to twenty (20) years, and to approve said Agreements under which lessees/operators, or its successors/assigns, will pay the Town a sum of money per year pursuant to structured Tax Agreements for taxation of the real and personal property on various properties in Town as properly approved in accordance with the Town's Zoning Bylaws, due to the proposed construction and operation of Large-Scale Ground Mounted Solar Photovoltaic Installations, and further allow the Board of Selectmen to negotiate any amendments necessary to said Tax Agreements to reflect any changes in the size of the parcel of land or size of the system so long as the payments reflected in the Tax Agreements rise or lower commensurately as the Board deems is in the best interest of the Town, or take any action thereon.

PROPOSED MOTION

I move the Town vote to authorize the Board of Selectmen to enter into Tax Agreements, pursuant to Mass General Laws Chapter 59, Section 38H, with the lessees/operators of solar photovoltaic energy generating facilities or their successors/assigns, for a period of up to twenty (20) years, and to approve said Agreements under which lessees/operators, or its successors/assigns, will pay the Town a sum of money per year pursuant to structured Tax Agreements for taxation of the real and personal property on various properties in Town as properly approved in accordance with the Town's Zoning Bylaws, due to the proposed construction and operation of Large-Scale Ground Mounted Solar Photovoltaic Installations, and further allow the Board of Selectmen to negotiate any amendments necessary to said Tax Agreements to reflect any changes in the size of the parcel of land or size of the system so long as the payments reflected in the Tax Agreements rise or lower commensurately as the Board deems is in the best interest of the Town.

FINANCE ADVISORY COMMITTEE RECOMMENDATION

The Finance Advisory Board recommends approval of this article.

DESCRIPTION

Town Meeting is being asked to grant authority to the Board of Selectmen to negotiate tax agreements with developers of large scale solar electricity arrays. The fundamental purpose of these tax agreements is to provide a consistent and predictable revenue stream for the Town and a payment stream for the owner. No tax is being abated or reduced. Solar panels are personal property and make up the largest portion of the taxes collected through this agreement. The value of these panels depreciates very rapidly. However, their actual useful life is 20 years or longer. With a tax agreement in place, rather than collecting larger sums of taxes in the first few years after the panels are installed and very little 15 or 20 years from now, the total tax due over the 20 years will be equally divided up over 20 years. The actual amounts will be negotiated by the Selectmen. AS AN EXAMPLE: If the panels are valued to generate \$1,000,000 over the 20 years of the agreement, then the Town will receive \$50,000 each year. Without an agreement the schedule would likely range from nearly \$90,000 in year 1 to roughly \$27,000 in year 20. The flat payment schedule benefits both the Town and the developer.

ARTICLE 7

To authorize the Board of Selectmen to acquire the land and or rights in land including but not limited to permanent and temporary easements on Rawson Street and adjacent to Rawson Street required for the reconstruction of the Rawson Street bridge and the roadway abutting the bridge for the purpose of obtaining a secure and public right of way; further that the Selectmen may acquire these parcels, or modification of these parcels or other required parcels through all legal means, including donations, purchase or eminent domain; and further to raise and appropriate or transfer from available funds a sum of money to defray any associated right of way expenses connected with this project, or take any action thereon.

PROPOSED MOTION

I move the Town vote to authorize the Board of Selectmen to acquire by gift, purchase, eminent domain or otherwise, all public way easements and rights in the land including drainage easements, utility easements, construction easements and sidewalk easements (both permanent and temporary) necessary for the laying out, construction, maintenance, replacement and repair of the Rawson Street Bridge and to cover the cost of such land acquisition, the Board of Selectmen is authorized to expend from all available Ch. 90 Highway funds such monies necessary to cover the cost of appraisals, legal fees, recording fees, land damages and such other necessary and incidental fees and costs as may be incurred in the process of acquiring and laying out the foregoing easements and further that the Board of Selectmen is authorized to enter into any federal and state project agreements relating to the layout, construction and repair of the Rawson Street Bridge and to expend all federal and state funds available for the Rawson Street Bridge project and to take any other action necessary to carry out the project.

FINANCE ADVISORY COMMITTEE RECOMMENDATION

The Finance Advisory Board recommends approval of this article.

DESCRIPTION

The Town has been working with our delegation of Stated Elected Officials to secure funding for the replacement of the Rawson Street Bridge over Cedar Meadow Pond inlet. To enable this project the Town will need to acquire permanent and temporary easements. Town Meeting is the entity with the authority that must vote to allow negotiations for the easements. Once authorized, Town officials will work directly with landowners that may be impacted.

ARTICLE 8 **To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money to be expended by the Board of Selectmen to fund the costs associated with the development of specifications and procurement documents for the selection of a developer for a solar electricity development at the Town's closed landfill and adjacently owned properties, or take any action thereon.**

PROPOSED MOTION

I move the Town vote to raise and appropriate by taxation \$9,000 to fund the costs associated with the development of specifications and procurement documents for the selection of a developer for a solar electricity development at the Town's closed landfill listed on Map 12 as Lot C12 and Map 15 Parcel A3 on the Town's Tax Maps, said funds to be expended by the Board of Selectmen.

FINANCE ADVISORY COMMITTEE RECOMMENDATION

The Finance Advisory Board recommends approval of this article.

DESCRIPTION

Article 24 of the May 2014 Annual Town Meeting authorized the Board of Selectmen to lease the parcels associated with the closed landfill for a solar to electric generation facility. Through this article, Town Meeting is being asked to fund the costs associated with engineering and related work necessary to develop detailed specifications to enable solar development on this land. These specifications will be used to solicit proposals for the development of the property. It is anticipated that a ground lease for a solar facility that could be developed on this site could yield up to \$22,000 in lease payments to the Town plus new tax revenues.

ARTICLE 9 **To see if the Town will vote to supplement each prior vote of the Town that authorizes the borrowing of money to pay capital costs, so as to permit, in accordance with Chapter 44, Section 20 of the General Laws, the application of any net premium received by the Town upon the sale of any bonds or notes thereunder to pay project costs and thereby reduce the amount authorized to be borrowed for each such project, by the amount of any such net premium so applied, or take any action thereon.**

PROPOSED MOTION

I move the Town vote to supplement each prior vote of the Town that authorizes the borrowing of money to pay capital costs, so as to permit, in accordance with Chapter 44, Section 20 of the General Laws, the application of any net premium received by the Town upon the sale of any bonds or notes thereunder to pay project costs and thereby reduce the amount authorized to be borrowed for each such project, by the amount of any such net premium so applied.

FINANCE ADVISORY COMMITTEE RECOMMENDATION

The Finance Advisory Board recommends approval of this article.

DESCRIPTION

Section 20 of Chapter 44 was amended in August 2016 and will go in effect in November 2016 to give municipalities more flexibility to reduce costs to taxpayers when undertaking large capital projects that require borrowings. The changes enable any amount that is bid above and beyond the face value of the bonds, known as a “premium” to be used to reduce the principal amount of the bonds that are issued. Prior to this change the premium could only be used to reduce the annual interest costs. An affirmative vote of Town Meeting would enable the Town to take advantage of this new provision for the Fire & EMS Headquarters and Library Renovation borrowings.

SPECIAL TOWN MEETING REPORT

November 1, 2016

The following is a report of the Minutes of the Special Town Meeting held at the Leicester Town Hall, Washburn Square on Tuesday, November 1, 2016. The Moderator, Donald A. Cherry, Jr., opened the meeting at 7:01 pm with 56 voters present stating the Town Clerk has informed me that a quorum is present; the meeting will come to order. Per General By-Laws of the Town of Leicester, this meeting is open only to Registered Voters of the Town of Leicester. If you are not a registered voter, or not a resident of Leicester, please take a seat to my left, behind the press table. Any person who is employed as an attorney by another interested in any matter under discussion at a Town Meeting shall disclose the fact of his or her employment before speaking thereon.

I would ask you to stand and join me in The Pledge of Allegiance. Please remain standing at the conclusion of the pledge.

Twice this past year, far too soon, the Town of Leicester had to bid farewell to two long time employees, Collen Cooney and Linda Rowden. Please join me in a moment of silence as we remember Colleen and Linda.

Senator Moore joined by Representative Campanale and Selectman Harry Brooks presented a commendation from the State House to Robert (Robbie) Kemp. Robbie who is a high school student and a Selectmen student liaison found a wallet with four thousand dollars in it at a softball game and turned it in to the owner. The owner of the wallet was struck by Robbie’s kindness and honesty and commended his parents for molding this wonderful young man and stated he is destined for great things. Congratulations Robbie!!!!

Douglas A. Belanger moved that the Town vote to dispense with the reading of the warrant, which is in the hands of the voters. VOTED UNANIMOUSLY

Douglas A. Belanger moved that the Town vote to dispense with a hand count by tellers on motions requiring a two-thirds vote, except when the vote or the method of voting is challenged, or when in the opinion of the Moderator, a hand count is necessary to establish a quantum of vote, or when the vote involves the potential to borrow money. VOTED BY A SIGNIFICANT MAJORITY

Article 1. Michael Shivick moved that the Town vote to raise and appropriate \$620.00 in order to pay bills from prior fiscal years as follows:

\$620.00 to the Oxford Rochdale Sewer District for the Selectmen’s Office VOTED UNANIMOUSLY

Article 2. Thomas E. Buckley III moved that the Town vote to set the annual salary for the Town Clerk position at \$56,000. VOTED UNANIMOUSLY

Richard Antanavica moved that the Town vote to amend the motion on the floor and raise the annual salary for the Town Clerk position to 61,000.00. VOTED UNANIMOUSLY

Article 3. Dianna Provencher moved that the Town vote to raise and appropriate by taxation the sum of \$40,596 and adjust the following budgets to defray the expenses in the Fiscal Year 2017 operating budget of the Town:

Transfer \$1,000 from Treasurer/Collector to Board of Selectmen; and

Reduce the School Department Budget by \$26,000; and

Transfer \$25,000 from Maturing Debt Principal to Maturing Debt Interest; and

Increase Maturing Debt Interest by \$40,596; and

Reduce the Temporary Loan Interest by \$550; and

Transfer \$26,991 from Employee Benefits to the account for Fiscal Year 2017 Vocational Tuition established in Article 11 of the May 2016 Annual Town Meeting; and

Transfer \$24,500 from Employee Benefits to the account the High School Roof Replacement established in Article 5 of the October 2015 Special Town Meeting; and

Transfer \$128,195 from Ambulance Receipts Reserved Account to the Ambulance Budget to defray the costs of ambulance services; and

that Article 10 of the May 2016 Annual Town Meeting be confirmed in all other respects and that the balance of funds to be raised and appropriated by taxation needed to fund the 2016 budget be adjusted accordingly.

VOTED UNANIMOUSLY

Article 4. Michael Shivick moved that the Town vote to transfer \$18,009 from Free Cash to the account established for Fiscal Year 2017 Vocational Tuition in Article 11 of the May 2016 Annual Town Meeting. VOTED BY A SIGNIFICANT MAJORITY

Article 5. Thomas E. Buckley III moved the Town vote to raise and appropriate by taxation \$8,500 for the repair of and/or to purchase replacement compacting equipment used at the Town Recycling Center.

Article 6. Douglas A. Belanger moved that the Town vote to authorize the Board of Selectmen to enter into Tax Agreements, pursuant to Mass General Laws Chapter 59, Section 38H, with the lessees/operators of solar photovoltaic energy generating facilities or their successors/assigns, for a period of up to twenty (20) years, and to approve said Agreements under which lessees/operators, or its successors/assigns, will pay the Town a sum of money per year pursuant to structured Tax Agreements for taxation of the real and personal property on various properties in Town as properly approved in accordance with the Town's Zoning Bylaws, due to the proposed construction and operation of Large-Scale Ground Mounted Solar Photovoltaic Installations, and further allow the Board of Selectmen to negotiate any amendments necessary to said Tax Agreements to reflect any changes in the size of the parcel of land or size of the system so long as the payments reflected in the Tax Agreements rise or lower commensurately as the Board deems is in the best interest of the Town. VOTED UNANIMOUSLY

Article 7. Harry R. Brooks moved that the Town vote to authorize the Board of Selectmen to acquire by gift, purchase, eminent domain or otherwise, all public way easements and rights in the land including drainage easements, utility easements, construction easements and sidewalk easements (both permanent and temporary) necessary for the laying out, construction, maintenance, replacement and repair of the Rawson Street Bridge and to cover the cost of such land acquisition, the Board of Selectmen is authorized to expend from all available Ch. 90 Highway funds such monies necessary to cover the cost of appraisals, legal fees, recording fees, land damages and such other necessary and incidental fees and costs as may be incurred in the process of acquiring and laying out the foregoing easements and further that the Board of Selectmen is authorized to enter into any federal and state project agreements relating to the layout, construction and repair of the Rawson Street Bridge and to expend all federal and state funds available for the Rawson Street Bridge project and to take any other action necessary to carry out the project. VOTED AFFIRMATIVELY BY A 2/3 VOTE

Article 8. Dianna Provencher moved that the Town vote to raise and appropriate by taxation \$9,000 to fund the costs associated with the development of specifications and procurement documents for the selection of a developer for a solar electricity development at the Town's closed landfill listed on Map 12 as Lot C12 and Map 15 Parcel A3 on the Town's Tax Maps, said funds to be expended by the Board of Selectmen. VOTED UNANIMOUSLY

Article 9. Harry R. Brooks moved the Town vote to supplement each prior vote of the Town that authorizes the borrowing of money to pay capital costs, so as to permit, in accordance with Chapter 44, Section 20 of the General Laws, the application of any net premium received by the Town upon the sale of any bonds or notes thereunder to pay project costs and thereby reduce the amount authorized to be borrowed for each such project, by the amount of any such net premium so applied. VOTED UNANIMOUSLY

Douglas A. Belanger moved that the Town vote to adjourn the Special Town Meeting at 7:54 pm with 101 voters present. VOTED UNANIMOUSLY

Other available funds	652,565.60
Total	\$16,935,365.60

FINANCE ADVISORY BOARD

As we close FY17 we, as your finance committee, think the town had a good year. Budgets were tight and all departments had no big surprises except for the veterans office which had an unanticipated expense of \$14,500 because of changes by the federal

government in line #115. We end the year with a surplus balance of \$35,500. At this time the committee would like to thank all the departments for working hard and to Kevin Mizikar, Town Administrator for his hard work to keep the town going in the right direction.

Town of Leicester: A Brief History

On January 17, 1686 a tract of land eight miles square was bought from the Nipmuc tribe of Massachusetts Indians by nine men from the Roxbury area. Fifteen English pounds were paid for the land and the deed was signed by the heirs of the recently deceased Chief Oraskaso. Settlement was not attempted until 1713 because of the Indian hostility in the area, but in that year the first dwelling was built on the southeastern corner of what is now the Town Common. The Town of Leicester became incorporated in 1713.

In 1753 the western half of the Town was incorporated as the Town of Spencer, named for the lieutenant governor at the time, Spencer Phipps. In 1765 a strip of land two miles wide was taken from the northern side of the Town of Paxton. In 1778 about twenty-five hundred acres from the southeast part went to the Town of Ward (now called Auburn). From its original size of 64 square miles the Town of Leicester has been reduced to its present area of 24.7 square miles.

Before the Revolution, agricultural Leicester provided refuge for several religious sects including Quakers and Anabaptists who were persecuted elsewhere and a colony of seventy Jews who fled from Newport before it was captured by the British. The Jewish colony was led by Aaron Lopez, the largest American ship owner before the Revolution, who made his home and trading center in Leicester. The earliest settlers were farmers; however, numerous brooks, with their potential for water power, attracted industry early in the Town's history. The first sawmill in this part of the State to use a circular saw was located in Leicester; and the first grist mill was built before 1730. Before 1785 the making of machine and hand cards for the combing of cotton began here and by 1890 one fourth of the wood cards in the United States were produced here. Other products included woolen goods, leather products and shoes with plants opening in 1814, 1850 and 1866 respectively.
